7 CFR Part 301

[Docket No. APHIS–2015–0040]

Golden Nematode; Removal of Regulated Areas in Orleans, Nassau, and Suffolk Counties, New York

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Affirmation of interim rule as final rule.

SUMMARY: We are adopting as a final rule, without change, an interim rule that amended the golden nematode regulations by removing areas in Orleans, Nassau, and Suffolk Counties in the State of New York from the list of generally infested areas. The interim rule was necessary to relieve restrictions on the movement of regulated articles from areas no longer under quarantine for golden nematode. As a result of the interim rule, movement of such articles from areas no longer under quarantine can proceed while preventing the spread of golden nematode from infested areas to noninfested areas of the United States.

DATES: Effective on February 23, 2016, we are adopting as a final rule the interim rule published at 80 FR 59551–59557 on October 2, 2015.

FOR FURTHER INFORMATION CONTACT: Mr. Jonathan M. Jones, National Policy Manager, Pest Management, Plant Protection and Quarantine, APHIS, 4700 River Road, Unit 160, Riverdale, MD 20737; (301) 851–2128.

SUPPLEMENTARY INFORMATION:

Background

In an interim rule¹ effective and published in the **Federal Register** on October 2, 2015 (80 FR 59551–59557, Docket No. APHIS–2015–0040), we amended the golden nematode regulations in 7 CFR part 301 by removing areas in Orleans, Nassau, and Suffolk Counties in the State of New York from the list of areas regulated for golden nematode.

Comments on the interim rule were required to be received on or before December 1, 2015. We did not receive any comments. Therefore, for the reasons given in the interim rule, we are adopting the interim rule as a final rule without change.

This action also affirms the information contained in the interim rule concerning Executive Order 12866 and the Regulatory Flexibility Act, Executive Orders 12372 and 12988, and the Paperwork Reduction Act.

Further, for this action, the Office of Management and Budget has waived its review under Executive Order 12866.

List of Subjects in 7 CFR Part 301

Agricultural commodities, Plant diseases and pests, Quarantine, Reporting and recordkeeping requirements, Transportation.

PART 301—DOMESTIC QUARANTINE NOTICES

■ Accordingly, we are adopting as a final rule, without change, the interim rule that amended 7 CFR part 301 and that was published at 80 FR 59551–59557 on October 2, 2015.

¹To view the interim rule and supporting documents, go to <http://www.regulations.gov/#/docketDetail;D=APHIS-2015-0040>.

Done in Washington, DC, this 17th day of February 2016.

Kevin Shea,

Administrator, Animal and Plant Health Inspection Service.

7 CFR Part 1217

[Document No. AMS–SC–15–0079]

Softwood Lumber Research, Promotion, Consumer Education and Industry Information Order; Continuance Referendum

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Referendum order.

SUMMARY: This document directs that a referendum be conducted among eligible domestic manufacturers and importers of softwood lumber to determine whether they favor continuance of the Softwood Lumber Research, Promotion, Consumer Education and Industry Information Order (Order).

DATES: The referendum will be conducted by mail ballot from August 1 through 25, 2016. To be eligible to vote, softwood lumber manufacturers and importers must have domestically manufactured and shipped or imported 15 million board feet or more of softwood lumber during the representative period of January 1 through December 31, 2015, paid assessments during that period, and must currently be softwood lumber domestic manufacturers or importers subject to assessment under the Order. Ballots must be received by the referendum agents no later than the close of business on August 25, 2016, to be counted.

ADDRESSES: Copies of the Order may be obtained from: Referendum Agent,

Promotion and Economics Division, Specialty Crops Program, AMS, USDA, 1400 Independence Avenue SW., Room 1406-S, Stop 0244, Washington, DC 20250-0244, telephone: (202) 720-9915; facsimile: (202) 205-2800; or contact Maureen Pello at (503) 632-8848 or via electronic mail: Maureen.Pello@ams.usda.gov.

FOR FURTHER INFORMATION CONTACT:

Maureen Pello, Marketing Specialist, PED, SC, AMS, USDA, 1400 Independence Avenue SW., Room 1406-S, Stop 0244, Washington, DC 20250-0244; telephone: (202) 720-9915, (503) 632-8848 (direct line); facsimile: (202) 205-2800; or electronic mail: Maureen.Pello@ams.usda.gov.

SUPPLEMENTARY INFORMATION: Pursuant to the Commodity Promotion, Research and Information Act of 1996 (7 U.S.C. 7411-7425) (Act), it is hereby directed that a referendum be conducted to ascertain whether continuance of the Order (7 CFR part 1217) is favored by eligible domestic manufacturers and importers of softwood lumber. The Order is authorized under the Act.

The representative period for establishing voter eligibility for the referendum shall be the period from January 1 through December 31, 2015. Persons who domestically manufactured and shipped or imported 15 million board feet or more of softwood lumber during the representative period, paid assessments during that period, and are currently softwood lumber manufacturers or importers subject to assessment under the Order are eligible to vote. Persons who received an exemption from assessments for the entire representative period are ineligible to vote. The referendum will be conducted by mail ballot from August 1 through 25, 2016.

Section 518 of the Act authorizes continuance referenda. Under § 1217.81(b) of the Order, the U.S. Department of Agriculture (USDA) must conduct a referendum 5 years after the program has been in effect to determine whether persons subject to assessment favor continuance of the Order. The program became effective in 2011. USDA would continue the Order if continuance is favored by a majority of the domestic manufacturers and importers voting in the referendum, who also represent a majority of the volume of softwood lumber represented in the referendum.

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the referendum ballot has been approved by the Office of Management and Budget (OMB) and assigned OMB No. 0581-0093. It has

been estimated that there are approximately 170 domestic manufacturers and 70 importers who will be eligible to vote in the referendum. It will take an average of 15 minutes for each voter to read the voting instructions and complete the referendum ballot.

Referendum Order

Maureen Pello, Marketing Specialist, and Heather Pichelman, Director, PED, SC, AMS, USDA, Stop 0244, Room 1406-S, 1400 Independence Avenue SW., Washington, DC 20250-0244, are designated as the referendum agents to conduct this referendum. The referendum procedures at 7 CFR 1217.100 through 1217.108, which were issued pursuant to the Act, shall be used to conduct the referendum.

The referendum agent will mail the ballots to be cast in the referendum and voting instructions to all known, eligible domestic manufacturers and importers prior to the first day of the voting period. Persons who domestically manufactured and shipped or imported 15 million board feet or more of softwood lumber during the representative period, paid assessments during that period, and are currently softwood lumber domestic manufacturers or importers subject to assessment under the Order are eligible to vote. Persons who received an exemption from assessments during the entire representative period are ineligible to vote. Any eligible domestic manufacturer or importer who does not receive a ballot should contact the referendum agent no later than one week before the end of the voting period. Ballots must be received by the referendum agent by 4:30 p.m. Eastern time, August 25, 2016, in order to be counted.

RIN 2120-AA64

Airworthiness Directives; The Boeing Company Airplanes

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule; request for comments.

SUMMARY: We are adopting a new airworthiness directive (AD) for certain The Boeing Company Model 787-8 airplanes. This AD requires revising the maintenance or inspection program, as applicable, to include an airworthiness limitation for repetitive inspections of the web fastener holes in the overwing flex-tees. This AD was prompted by a report that certain web fastener holes in the overwing flex-tees at the wing-to-body interface might not have been deburred properly when manufactured. Fastener holes without the deburr chamfer applied can develop fatigue cracking. We are issuing this AD to detect and correct cracking in the web fastener holes in the overwing flex-tees, which can weaken the primary wing structure so it cannot sustain limit load.

DATES: This AD is effective March 9, 2016.

The Director of the Federal Register approved the incorporation by reference of a certain publication listed in this AD as of March 9, 2016.

We must receive comments on this AD by April 8, 2016.

ADDRESSES: You may send comments, using the procedures found in 14 CFR 11.43 and 11.45, by any of the following methods:

- *Federal eRulemaking Portal:* Go to <http://www.regulations.gov>. Follow the instructions for submitting comments.

- *Fax:* 202-493-2251.

- *Mail:* U.S. Department of Transportation, Docket Operations, M-30, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590.

- *Hand Delivery:* U.S. Department of Transportation, Docket Operations, M-30, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.
