AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of revised schedule of closure and reopening of reference services for certain textual records holdings in the National Archives related to the move to the National Archives at College Park (Archives II) and the relocation of some records to the National Archives Building.

SUMMARY: This notice provides information about the period of time that reference service on certain textual records holdings of the National Archives will be unavailable due to the move of those holdings from their current locations in the National
