Proposed collection; comment request

SUMMARY: In accordance with the requirement of Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance

the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and Purpose of Information

Collection: Annual Earnings Questionnaire for Annuitants in Last Pre-Retirement Non-Railroad Employment; OMB 3220-0179. Under Section 2(e)(3) of the Railroad Retirement Act (RRA), an annuity is not payable for any month in which a beneficiary works for a railroad. In addition, an annuity is reduced for any month in which the beneficiary works for an employer other than a railroad employer and earns more than prescribed amounts. Under the 1988 amendments to the RRA, the Tier II portion of the regular annuity and any supplemental annuity must be reduced by one dollar for each two dollars of Last Pre-Retirement Non-Railroad Employment (LPE) earnings for each month of such service. However, the reduction cannot exceed fifty percent of the Tier II and supplemental annuity amount for the month to which such deductions apply. LPE generally refers to an annuitant's last employment with a non-railroad person, company, or institution prior to retirement which was performed whether at the same time of, or after an annuitant stopped railroad employment. The collection obtains earnings information needed by the RRB to determine if possible reductions in annuities because of Last Pre-Retirement Non-Railroad Employment Earnings (LPE) are in order.

The RRB utilizes Form G-19L to obtain LPE earnings information from annuitants. Companion Form G-19L.1, which serves as an instruction sheet and contains the Paperwork Reduction/Privacy Act Notice for the collection accompanies each Form G-19L sent to an annuitant. One response is requested of each respondent. Completion is required to retain a benefit. The RRB proposes minor editorial changes to Form G-19L and Form G-19L.1.

The estimated annual respondent burden is as follows:

Form #(s)	Annual responses	Time (Min)	Burden (Hrs)
G-19L	6,000	30	3,000

ADDITIONAL INFORMATION OR COMMENTS:

To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, please call the RRB
