**[Docket No. RP96-192-000]****NorAm Gas Transmission Company; Notice of Filing**

April 3, 1996.

Take notice that on March 29, NorAm Gas Transmission Company (NGT) made its annual FT and IT Cash Balancing Revenue Credit filing and its

annual IT Revenue Credit filing pursuant to Sections 5.7(c)(ii)(2)(B), 23.2(b)(iv) and 23.7 of the General Terms and Conditions of NGT's FERC Gas Tariff, Fourth Revised Volume No. 1.

NGT states that its filing addresses the period from February 1, 1995 through January 31, 1996, and also reflects the costs and revenues for the period September 1, 1994 through January 31, 1995, which period was subject to tariff provisions that are no longer in effect but which was not addressed in any previous revenue crediting filing. The calculations made in accordance with Section 23.9 of NGT's General Terms and Conditions result in an IT Revenue Credit and FT and IT Cash Balancing Credits of zero. Because the credits reflected in NGT's current tariffs are zero, NGT is making no adjustment to its tariffs as a result of this filing.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 214 and 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.214 and 385.211). Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
