PENSION BENEFIT GUARANTY CORPORATION

Request for Comment on Proposed Collection of Information Under the Paperwork Reduction Act; Survey of Nonparticipating Single Premium Group Annuity Rates

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of intention to request OMB approval.

SUMMARY: The Pension Benefit Guaranty Corporation intends to request that the Office of Management and Budget extend a previously approved collection of information under the Paperwork Reduction Act. OMB's current approval of this collection of information (OMB control number 1212-0030), expires on August 31, 1996. This voluntary collection of information, which is not contained in a regulation, is a quarterly survey of insurance company rates for pricing annuity contracts. The survey is conducted by the American Council of Life Insurance for the PBGC.

ADDRESSES: All written comments should be addressed to: Office of

General Counsel, Pension Benefit Guaranty Corporation, Suite 340, 1200 K St. NW., Washington, D. C. 20005. The comments will be available for public inspection at the PBGC

Communications and Public Affairs Department, Suite 240, 1200 K Street, NW., Washington, DC 20005, between the hours of 9 a.m. and 4 p.m.

FOR FURTHER INFORMATION CONTACT:

Marc L. Jordan, Attorney, Office of the General Counsel, Suite 340, 1200 K Street, NW., Washington, DC 20005, 202-326-4026 (202-326-4179 for TTY and TDD). (These are not toll-free numbers.)

SUPPLEMENTARY INFORMATION: The Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) establishes policies and procedures for controlling the paperwork burdens imposed by Federal agencies on the public. The Act vests the Office of Management and Budget with regulatory responsibility over these burdens, and OMB has promulgated rules on the clearance of collections of information by Federal agencies.

The Pension Benefit Guaranty Corporation's regulations prescribe actuarial valuation methods and assumptions (including interest rate assumptions) to be used in determining the actuarial present value of benefits under single-employer plans that terminate (29 CFR Part 2619) and under multiemployer plans that undergo a mass withdrawal of contributing employers (29 CFR Part 2676). Each month the PBGC publishes the interest rates to be used under those regulations for plans terminating or undergoing mass withdrawal during the next month.

The interest rates are intended to reflect current conditions in the investment and annuity markets. To determine these interest rates, the PBGC gathers pricing data from the insurance companies that are closing out plans through a quarterly "Survey of Nonparticipating Single Premium Group Annuity Rates." The survey is sent out by the American Council of Life Insurance, which tabulates it to assure that the PBGC receives blind data.

The survey is directed at insurance companies that have volunteered to participate, most or all of which are members of the American Council of Life Insurance. The survey will be conducted quarterly and will be sent to approximately 14 insurance companies. Based on experience under the current approval, the PBGC estimates that 10 insurance companies will complete and return the survey and that each respondent will take 45 minutes to complete it. The annual burden of

responding to the survey is therefore estimated to be 30 hours.

The PBGC is specifically seeking public comments to:

(1) evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) evaluate the accuracy of the estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) enhance the quality, utility, and clarity of the information to be collected; and

(4) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Issued at Washington, D.C., this 3rd day of April, 1996.

Martin Slate,

Executive Director, Pension Benefit Guaranty Corporation.

Upon written request, copies available from: Securities and Exchange Commission,

Office of Filings and Information Services, Washington, DC 20549.

Revision: Form F-6, SEC File No. 270-270, OMB Control No. 3235-0292.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for approval of modification to the following form:

Form F-6—Used for registration of American Depositary Receipts ("ADRs") of foreign companies. Form F-6 requires disclosure of information regarding the terms of the deposit agreement, the depositary bank, fees charged, and a description of the ADR. No special information regarding the foreign company is required to be prepared or disclosed, although the foreign company must be one which periodically furnishes information to the Commission.
