[NAFTA-00737]

Anchor Glass Container, Cliffwood, New Jersey; Notice of Revised Determination on Reconsideration

On March 5, 1996, the Department issued a Negative Determination Regarding Eligibility to Apply for NAFTA-Transitional Adjustment Assistance (NAFTA-TAA) applicable to all workers of Anchor Glass Container located in Cliffwood, New Jersey. The notice was published in the Federal Register on March 25, 1996 (FR 61 12101)

By letter of March 22, 1996, counsel to the petitioner, Glass, Molders, Pottery, Plastics & Allied Workers International Union AFL-CIO and its Local 119, requested administrative reconsideration of the Department's findings.

The petitioners presented new evidence that was not considered in the

original determination. The petitioners claim that the introduction of Mexican glass containers in the U.S. resulted in a substantial loss of work for Anchor Glass production facilities, and ultimately contributed to worker separations at the Cliffwood plant. Anchor Glass Container is a subsidiary of Vitro Glass, which has production facilities in Mexico. The petitioners claim that the Mexican production facilities contributed importantly to the declines in sales, production, and employment at the Cliffwood plant.

Investigation findings revealed that sales, production and employment at the subject firm declined. The plant ceased production in December 1995, and the plant is scheduled to close in April 1996. The workers were engaged in the production of glass bottles.

New findings on reconsideration show that the aggregate value of U.S. imports of glass bottles from Mexico and Canada increased annually from 1993 to 1995.

Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of glass bottles from Mexico or Canada contributed importantly to the declines in sales or production and to the total or partial separation of workers of Anchor Glass Container, Cliffwood, New Jersey. In accordance with the provisions of the Act, I make the following certification:

All workers of Anchor Glass Container, Cliffwood, New Jersey who became totally or partially separated from employment on or after January 5, 1995 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 5th day of April 1996.
