## DEPARTMENT OF LABOR

### Employment and Training Administration

#### Job Training Partnership Act: Migrant and Seasonal Farmworker Programs; Final Allocations

**AGENCY:** Employment and Training Administration, Labor.

**ACTION:** Notice.

**SUMMARY:** The Employment and Training Administration is publishing the estimated final allocation for Program Year (PY) 1996 (July 1, 1996-June 30, 1997) for the Migrant and Seasonal Farmworkers program (MSFW) authorized under Section 402 of the Job Training Partnership Act.

**FOR FURTHER INFORMATION CONTACT:** Mr. Charles C. Kane, Chief, Division of Seasonal Farmworker Programs. Telephone: (202) 219-5500 (this is not a toll-free number).

**SUPPLEMENTARY INFORMATION:** the allocations set forth in the appendix to this notice were computed according to the Program year 1994 allocation formula published at 59 FR 17577 (April 13, 1994). When the appropriation for the Department of Labor's 1996 fiscal year was enacted into law, it incorporated the prior agreement of the House and Senate Committees on an appropriation amount for the 402 Migrant and Seasonal Farmworker Program of \$69,285,000. Grant plans should proceed on the basis of this amount. This amount is a decrease of \$10,682,000 from the final (post-rescission) appropriation for PY 1995.

For PY 1996, the State-by-State allocation formula is being applied to \$65,486,767. The remaining \$3,798,233 of the estimated PY 1996 section 402 appropriation is being held in the section 402 national account to fund the housing program, the Hope, Arkansas, Migrant Rest Center, and other training and technical assistance projects.

#### Allocation Formula

To maintain programmatic stability during the continued downsizing of the Federal MSFW program, the State-by-State estimated allocations were determined by the same formula that was used to allocate MSFW funds in PY 1995.

Signed at Washington, DC, this 14th day of May, 1996.

## NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

### Records Schedules; Availability and Request for Comments

**AGENCY:** National Archives and Records Administration, Office of Records Administration.

**ACTION:** Notice of availability of proposed records schedules; request for comments.

**SUMMARY:** The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Records schedules identify records of sufficient value to warrant preservation in the National Archives of the United States. Schedules also authorize agencies after a specified period to dispose of records lacking administrative, legal, research, or other value. Notice is published for records schedules that (1) propose the destruction of records not previously authorized for disposal, or (2) reduce the retention period for records already authorized for disposal. NARA invites public comments on such schedules, as required by 44 U.S.C. 3303(a).

**DATES:** Request for copies must be received in writing on or before July 5, 1996. Once the appraisal of the records is completed, NARA will send a copy of the schedule. The requester will be given 30 days to submit comments.

**ADDRESSES:** Address requests for single copies of schedules identified in this notice to the Records Appraisal and Disposition Division (NIR), National Archives and Records Administration, College Park, MD 20740. Requesters must cite the control number assigned to each schedule when requesting a copy. The control number appears in the parentheses immediately after the name of the requesting agency.

**SUPPLEMENTARY INFORMATION:** Each year U.S. Government agencies create billions of records on paper, film, magnetic tape, and other media. In order to control this accumulation, agency records managers prepare records schedules specifying when the agency no longer needs the records and what happens to the records after this period. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. These comprehensive schedules provide for the eventual transfer to the National

Archives of historically valuable records and authorize the disposal of all other records. Most schedules, however, cover records of only one office or program or a few series of records, and many are updates of previously approved schedules. Such schedules also may include records that are designated for permanent retention.

Destruction of records requires the approval of the Archivist of the United States. This approval is granted after a thorough study of the records that takes into account administrative use by the agency of origin, the rights of the Government and of private persons directly affected by the Government's activities, and historical or other value.

This public notice identifies the Federal agencies and their subdivisions requesting disposition authority, includes the control number assigned to each schedule, and briefly describes the records proposed for disposal. The records schedule contains additional information about the records and their disposition. Further information about the disposition process will be furnished to each requester.
