NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[OMB Control No. 9000–0142]

Submission for OMB Review; Comment Request Entitled Past Performance Information

AGENCIES: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Notice of request for an extension to an existing OMB clearance (9000–0142).

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Federal Acquisition Regulation (FAR) Secretariat has submitted to the Office of Management and Budget (OMB) a request to review and approve an extension of a currently approved information collection requirement concerning Past Performance Information. A request for public comments was published at 61 FR 9983, March 12, 1996. One comment was received resulting in a change to block 11c of Standard Form 83–I, *i.e.*, including “not-for-profit institutions” as part of the affected public.

DATES: *Comment Due Date:* June 28, 1996.

ADDRESSES: Comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, should be submitted to: FAR Desk Officer, OMB, Room 10102, NEOB, Washington, DC 20503, and a copy to the General Services Administration, FAR Secretariat (MVRs), 18th & F Streets, NW, Room 4037, Washington, DC 20405. Please cite OMB Control No. 9000–0142, Past Performance Information, in all correspondence.

FOR FURTHER INFORMATION CONTACT: Ms. Linda Klein, Federal Acquisition Policy Division, GSA (202) 501–3775.

SUPPLEMENTARY INFORMATION:

A. Purpose

Past performance information is relevant information, for future source selection purposes, regarding a contractor’s actions under previously awarded contracts. When past performance is to be evaluated, the rule states that the solicitation shall afford offerors the opportunity to identify Federal, state and local government, and private contracts performed by offerors that were similar in nature to the contract being evaluated.

A submission for OMB review entitled Past Performance Information was published in the Federal Register under the emergency processing procedure on March 12, 1996, with a notice of request for public comment. One comment was received calling attention to the fact that block 11c on Standard Form 83–I, Paperwork Reduction Act Submission, should have also been checked. Block 11 concerns “Affected public” and “c” is entitled “Not-for-profit institutions.” As a result of the comment, block 11c has now been checked to include “not-for-profit institutions.” The burden estimates have not been affected as a result of the comment because the burden estimates

are based on the total number of estimated affected contract actions and not on the status of the contractors themselves.

B. Annual Reporting Burden

Public reporting burden for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

The annual reporting burden is estimated as follows: Respondents, 150,000; responses per respondent, 4; total annual responses, 600,000; preparation hours per response, 2; and total response burden hours, 1,200,000.

OBTAINING COPIES OF PROPOSALS:

Requester may obtain copies of justifications from the General Services Administration, FAR Secretariat (MVRs), Room 4037, Washington, DC 20405, telephone (202) 501–4755. Please cite OMB Control No. 9000–0142, Past Performance Information, in all correspondence.

Dated: May 22, 1996.

Patricia A. Ting,
Secretariat.
