### Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 for opportunity for public comment on proposed data collection projects, the Health Resources and Services Administration (HRSA) will publish periodic summaries of proposed projects being developed for submission to OMB under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, call the HRSA Reports Clearance Officer on (301) 443-1129.

Comments are invited on: (a) whether the proposed collection of information

is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

#### Proposed Projects

Health Professions Student Loan (HPSL) and Nursing Student Loan (NSL) Programs—Forms (OMB No. 0915-0044)—Extension and Revision—The HPSL Program provides long-term, low-interest loans to students attending schools of medicine, osteopathic medicine, dentistry, veterinary

medicine, optometry, podiatric medicine, and pharmacy. The NSL Program provides long-term, low-interest loans to students who attend eligible schools of nursing in programs leading to a diploma in nursing, an associate degree, a baccalaureate degree, or a graduate degree in nursing. Participating HPSL and NSL schools are responsible for determining eligibility of applicants, making loans, and collecting monies owed by borrowers on their outstanding loans. The Deferment form (HRSA Form 519) provides the schools with documentation of a borrower's eligibility for deferment. The Annual Operating Report (AOR—HRSA Form 501) provides the Federal Government with information from participating schools relating to HPSL & NSL program operations and financial activities.

The estimated annual response burden is as follows:

Form	Number of respondents	Responses per respondent	Hours per respondent	Total annual hour burden
Deferment-519 .....	10,375	1	10 min .....	1,729 hrs.
AOR-501 .....	1,178	1	5 hrs .....	5,890 hrs.
Total .....	11,553	.....	.....	7,619 hrs.

Three additional forms were previously approved under the OMB number cited above. These forms have been discontinued for the following reasons:

*HRSA-514, HPSL & NSL Application to Participate:* This form was used by schools to apply to participate in the programs. Because there have been no program appropriations for several years, and the schools are operating the program only with revolving loan funds, the application form is no longer used.

*HRSA 518, Request for Postponement of Installment Payment, and HRSA 520, Request for Partial Cancellation of Loan:* These forms, which were used by borrowers to request cancellation or postponement of their student loan payments in return for service as a Registered Nurse, are no longer needed. The NSL cancellation provision for service as a Registered Nurse has been repealed for loans made on or after September 29, 1979. There are now no students eligible for these benefits.

Send comments to Patricia Royston, HRSA Reports Clearance Officer, Room 14-36, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received by August 19, 1996.
