Midwest Hydraulic Company; Notice of Proposed Restricted Service List for a Programmatic Agreement for Managing Properties Included in or Eligible for Inclusion in the National Register or Historic Places

June 14, 1996.

Rule 2010 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure provides that, to eliminate unnecessary expense or improve administrative efficiency, the Secretary may establish a restricted service list for a particular phase or issue in a proceeding.¹ The restricted service list should contain the names of persons on the service list who, in the judgment of the decisional authority establishing the list, are active participants with respect to the phase or issue in the proceeding for which the list is established.

The Commission is consulting with the State Historical Society of Wisconsin (hereinafter, SHPO) and the Advisory Council on Historic Preservation (hereinafter, Council) pursuant to the Council's regulations, 36 CFR Part 800, implementing Section 106 of the National Historic Preservation Act, *as amended*, (16 U.S.C. Section

470f), to prepare a programmatic agreement for managing properties included in, or eligible for inclusion in, the National Register of Historic Places at Project No. 10805-002.

The programmatic agreement, when executed by the Commission, the SHPO, and the Council, would satisfy the Commission's Section 106 responsibilities for all individual undertakings carried out in accordance with the license until the license expires or is terminated (36 CFR 800.13[e]). The Commission's responsibilities pursuant to Section 106 for the above project would be fulfilled through one programmatic agreement for comments under Section 106. The executed programmatic agreement would be incorporated into any order issuing license.

Midwest Hydraulic Company, as prospective licensee for Project No. 10805-002, is invited to participate in consultation to develop the programmatic agreement and to sign as a concurring party to the programmatic agreement.

Project No. 10805-002

For purposes of commenting on the programmatic agreement, we propose to restrict the service list for Project No. 10805-002 as follows:

Mr. Richard Dexter, State Historical Society of Wisconsin, 816 State Street, Madison, WI 53706-1488

Dr. Robert D. Bush, Advisory Council on Historic Preservation, The Old Post Office Building, Suite 809, 1100 Pennsylvania Ave., NW., Washington, D.C. 20004

Mr. Andy Blystra, Midwest Hydraulic Company, 680 Washington Ave., Holland, MI 49423

Any person on the official service list for the above-captioned proceedings may request inclusion on the restricted service list, or may request that a restricted service list not be established, by filing a motion to that effect within 15 days of this notice date.

An original and 8 copies of any such motion must be filed with the Secretary of the Commission (888 First Street, NE, Washington, D.C., 20426) and must be served on each person whose name appears on the official service list. If no such motions are filed, the restricted service list will be effective at the end of the 15 day period. Otherwise, a further notice will be issued ruling on the motion.

Linwood A. Watson, Jr.,
Acting Secretary.
