

rule change is consistent with DTC's obligations under Section 17A of the Act because the rule change will allow DTC participants to remove certificates representing Custody Issues from their vaults and to deposit them into the Custody Service at DTC. Depositing certificates into the Custody Service along with the correspondent eligibility of Custody Issues for certain DTC securities processing services should help to reduce the costs, inefficiencies, and risks associated with the physical safekeeping of these securities outside of DTC and thereby should promote the prompt and accurate clearance and settlement of transactions in and the safeguarding of these types of securities. Moreover, the Commission believes the proposal is consistent with DTC's obligations to safeguard securities and funds under its control because Custody Issues on deposit at DTC will not be subject to any right, charge, security interest, lien, or claim of any kind in favor of DTC or any person claiming through DTC.

DTC has requested that the Commission find good cause for approving the proposed rule change prior to the thirtieth day after the date of publication of notice of the filing. The Commission finds good cause for so approving the proposed rule change because accelerated approval will permit DTC participants to begin immediately the process of transferring Custody Issues to DTC in order that they may utilize the Custody Service as soon as possible. Furthermore, the Commission has not received any comment letters and does not expect to receive any comment letters on the proposal.

III. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in particular Section 17A of the Act and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR-DTC-96-08) be and hereby is approved on an accelerated basis.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.¹⁴
