

**§ 152.35 Can I make a sale on a deferred payment plan?**

Yes, when you and purchaser desire. The terms will be set out in a memorandum of sale which constitutes a contract for payment in full and delivery of title. The executed deed will be held by the superintendent to be delivered only upon full compliance with the terms of sale. Request for fee patent will be made only upon full compliance with the terms of the sale. As required by the Act of June 25, 1910 (36 Stat. 855), as amended (25 U.S.C. 372); the terms of the sale will require the purchaser to pay not less than 10 percent of the purchase price in advance. Terms for the payment of the remaining installment, plus interest, must be acceptable to the Secretary and the Indian owner. If the purchaser defaults on any deferred payment plan in the first or subsequent payments, all payments, including interest, previously made will be forfeited to the Indian owner.

**Denials of Applications****§ 152.36 When does the Secretary deny approval of my application?**

The Secretary denies any request under this part if a determination shows that it will adversely affect the best interest of other Indians, or the tribe.

**§ 152.37 Am I notified of a denial?**

Yes, the Secretary makes denials in a written letter. You have the right to appeal the decision under part 2 of this chapter.

**Receiving Information****§ 152.38 Who receives information regarding status of applications for patents in fee, certificates of competency, or orders removing restrictions of trust or restricted Indian lands?**

(1) 15 days after the fee patent has been issued by the Bureau of Land Management;

**FEDERAL COMMUNICATIONS COMMISSION****47 CFR Chapter I****Implementation of the Local Competition Provisions of 1996 Telecommunications Act**

**AGENCY:** Federal Communications Commission.

**ACTION:** Proposed rule; extension of comment date.

**SUMMARY:** The Public Notice extends an additional Comment opportunity in CC Docket 96-98 in order to allow parties to that proceeding to comment on a staff-prepared working copy of an industry demand and supply simulation model. The model, using publicly-available, industry-wide information, allows users to simulate the relative impact of particular changes in the industry.

**DATES:** Comments are due on or before July 8, 1996. (No reply comments allowed).

**ADDRESSES:** Federal Communications Commission, 1919 M Street, N.W., Washington, DC 20554.

**FOR FURTHER INFORMATION CONTACT:** Thomas J. Beers at (202) 418-0952.

**SUPPLEMENTARY INFORMATION:**

[DA 96-1030; IAD 96-176]

Supplemental Comment Period  
Extended for Local Competition  
Proceeding, CC Docket 96-98

Released June 25, 1996.

1. On June 17, 1996, the FCC's Industry Analysis Division, Common Carrier Bureau, and the Competition Division, Office of General Counsel, released a staff model of the telecommunications industry which allows model users to calculate a variety of outputs from nearly 200 specifications (News Release, "FCC Staff Releases Working Copy of an Industry Demand & Supply Simulation Model," released June 17, 1996.) The staff model allows the user to specify growth rates, pricing trends, demand elasticities and cost relationships to simulate effects in traditional industry segments. The staff model, using publicly-available, industry-wide information, allows the user to simulate the relative impact of particular changes in the industry. On June 20, 1996, the Common Carrier Bureau, on delegated authority, issued a Public Notice that announced that a copy of the staff model had been placed in the public file in CC Docket No. 96-98, Implementation of the Local Competition Provisions in the Telecommunications Act of 1996. Parties were requested to file Comments on the staff model in that proceeding no later than Monday, July 1, 1996. (Public Notice, "Supplemental Comment Period Designated for Local Competition Proceeding, CC Docket 96-98," DA 96-1007, released June 20, 1996.) (61 FR 32766, June 25, 1996).

2. On June 21, 1996, Cox Communications, Inc. ("Cox") filed a Motion for Extension of Time seeking an extension, to July 8, 1996, to file its supplemental comments about the staff model.<sup>1</sup> In its petition, Cox argues, *inter alia*, that the comment period is insufficient to give parties a meaningful opportunity to analyze and comment on the staff model.<sup>2</sup>

3. The Commission faces severe time constraints, imposed by Section 251 of the Communications Act of 1934, as amended, 47 U.S.C. § 251, to resolve the interconnection proceeding within the timeframe prescribed. Nevertheless, in order to afford commenters in CC Docket No. 96-98 as much opportunity as possible to analyze and utilize the staff model, a limited extension of the supplemental comment period is

authorized. Parties who wish to comment on the model, use the model, create variations of the model, or file models of their own, in that proceeding are requested to file Comments no later than Monday, July 8, 1996. As stated in the June 20 Public Notice, there will be no Reply Comment filing opportunity.

4. Copies of the model may be purchased by calling International Transcription Services, Inc. (ITS) at (202) 857-3800. The model also can be downloaded from the Common Carrier Bureau's home page on the World Wide Web. The home page can be accessed directly (<http://www.fcc.gov/ccb.html>) or through a direct link from the main FCC home page (<http://www.fcc.gov>). The model also can be downloaded from the FCC-State Link computer bulletin board at (202) 418-0241 [BBS file name: MODEL30.ZIP].
