

#### *D. Categories of Records and Individuals Covered by the Match*

The SSA records involved in the match are earnings, self-employment and other data which constitute tax return information pursuant to 26 U.S.C. 6103. The Earnings Recording and Self-Employment Income System (last published in the FR at 59 FR 62407, December 5, 1994) maintains records of individuals' wages or self-employment income from employment under Social Security. The OPM records consists of annuity data from its system of records entitled OPM/Central-1—Civil Service Retirement and Insurance Records (last published in the FR at 60 FR 63075, December 8, 1995).

#### *E. Inclusive Date of the Matching Program*

This computer matching program is subject to review by the Office of Management and Budget and the Congress. If no objections are raised by either, and the mandatory 30-day public notice period for comment has expired for this Federal Register notice with no significant adverse public comments in receipt resulting in a contrary determination, then this computer matching program becomes effective on the date specified above. By agreement between OPM and SSA, the matching program will be in effect and continue for 18 months with an option to renew for 12 additional months under the terms set forth in 5 U.S.C. 552a(o)(2)(D).

**SUPPLEMENTARY INFORMATION:** The following is a summary of the application. The complete application may be obtained for a fee from the SEC's Public Reference Branch.

### Applicant's Representations

1. Applicant is an open-end management investment company organized as a Massachusetts business trust. On November 22, 1989, applicant filed a registration statement on Form N-1A pursuant to section 8(b) of the Act and under the Securities Act of 1933 to register its shares. The registration statement became effective on March 1, 1990, and the initial public offering commenced on or about the same date.

2. On June 16, 1994, applicant's board of trustees adopted an Agreement and Plan of Reorganization (the "Reorganization Plan") whereby applicant would exchange its net assets for shares of Oppenheimer Global Emerging Growth Fund ("OGEF"), a registered, open-end management investment company, and the OGEF shares would be distributed *pro rata* to applicant's shareholders.

3. On August 16, 1994, applicant filed a proxy statement with the SEC that was declared effective on September 19, 1994. Applicant's shareholders approved the Reorganization Plan on November 11, 1994.

4. At the close of business on November 17, 1994, immediately preceding effectiveness of the Reorganization Plan, applicant had 2,815,907.520 shares outstanding. As of that date, applicant's aggregate net assets were \$27,636,863.83, and the net asset value per share was \$9.81. In exchange for 1,540,515.42 shares of OGEF, applicant transferred to OGEF its assets less liabilities with respect to: (a) amounts payable for portfolio securities purchased but not yet settled; (b) a cash reserve retained for the payment of the expenses of applicant's dissolution and its liabilities; (c) deferred trustee amounts; and (d) capital stock. Pursuant to the Reorganization Plan, applicant received that number of OGEF shares having an aggregate net asset value equal to the value of applicant's net assets.

5. On November 18, 1994, the reorganization was consummated. Applicant was subsequently liquidated and applicant's shareholders received *pro rata* the OGEF shares received by applicant pursuant to the reorganization.
