SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-37384; File No. SR-Amex-96-22]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the American Stock Exchange, Inc. Relating to Fee Changes

June 28, 1996.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), 15 U.S.C. § 78s(b)(1), notice is hereby given that on June 25, 1996, the American Stock Exchange, Inc. ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex proposes to waive its equity transaction charges on

proprietary equity trades in paired securities effected on the Exchange floor by options specialists and registered options traders ("ROTs").

The text of the proposed rule change is available at the Office of the Secretary, Amex and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In 1991, the Exchange imposed transaction charges on proprietary equity trades by members and member organizations, while maintaining an exemption for proprietary trades of equity specialists in view of the market making function they perform.¹ Subsequently, in 1995, the Exchange waived such charges on proprietary equity trades effected by Registered Equity Market Makers ("REMMs") in order to facilitate their market making function as set forth in Exchange Rule 114 and place them on an equal footing with Exchange equity specialists.²

When option specialists and ROTs³ that trade "paired securities" (i.e., where both the option and underlying equity security are traded on the Amex) hedge an option position by trading in the underlying Amex listed security, they are currently subject to the Exchange's transaction charge on

proprietary equity trades. The Exchange is now waiving its equity transaction charge imposed on proprietary equity trades by option specialists and ROTs hedging in paired securities. Option specialists and ROTs, like equity specialists and REMMs, perform a market making function in their assigned securities and the Exchange believes it is equitable that they be treated the same with respect to transaction charges on proprietary equity trades used for hedging purposes.

The Exchange believes the proposed rule change is consistent with Section 6(b) of the Act in general and furthers the objectives of Section 6(b)(4) in particular in that they provide for the equitable allocation of reasonable dues, fees, and other charges among Amex members, issuers, and other persons using the Exchange's facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposed rule change will impose no burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The fee change has become effective pursuant to Section 19(b)(3)(A) of the Act and subparagraph (e)(2) of Rule 19b-4. At any time within 60 days of the filing of such fee change, the Commission may summarily abrogate such fee change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the

Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 552, will be available for inspection and copying at the Commission's Public Reference Section, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of such filing will also be available for inspection and copying at the principal office of the Amex. All submissions should refer to File No. SR-Amex-96-22 and should be submitted by July 30, 1996.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁴

Jonathan G. Katz,
Secretary.

July 1, 1996.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on June 12, 1996, Delta Clearing Corp. ("DCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by DCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to give notice that DCC has authorized Patriot Securities, Inc. ³ ROTs are members that trade on a proprietary basis on the Floor in one or more designated classes of options. Exchange Rule 958 sets forth the obligations and requirements under which ROTs are permitted to conduct such proprietary trading on the Floor. When trading in their designated options, ROTs are required under the Rule to contribute to the maintenance of a fair and orderly market in such options, engaging in dealings in such options which contribute to price continuity or depth or minimize the effects of a temporary disparity between the supply and demand for such options. Thus, while not subject to an option specialist's continuous market making obligation, when ROTs effect proprietary equity trades on the Floor, they are required to comply with the same market making obligations as option specialists.
