Surface Transportation Board

[Finance Docket No. 32852]¹

Russell A. Peterson; Continuance in Control Exemption; Atlantic Transportation Trust, Inc. d/b/a Jaxport Railway

Russell A. Peterson, a noncarrier, has filed a verified notice under 49 CFR 1180.2(d)(2) to continue in control of Atlantic Transportation Trust, Inc. d/b/a Jaxport Railway (JXRY), upon JXRY's becoming a class III rail carrier. JXRY, a noncarrier, has concurrently filed a notice of exemption in Finance Docket No. 32851, *Atlantic Transportation Trust, Inc., d/b/a Jaxport Railway—Lease and Operation Exemption—Lines of Jacksonville Port Authority*, in which JXRY seeks to acquire by lease and operation approximately 10.33 miles of rail line owned by Jacksonville Port Authority in Duval County, FL. The transaction was to have been consummated on January 12, 1996.

Russell A. Peterson also controls through stock ownership four other nonconnecting class III rail carriers: Allegheny Valley Railroad Company; Gulf Coast Rail Service, Inc. d/b/a Orange Port Terminal Railway; Southwest Pennsylvania Railroad; and the Camp Chase Industrial Railroad Corporation.

The transaction is exempt from the prior approval requirements of 49 U.S.C. 11343 because Russell A. Peterson states that: (1) The railroads will not connect with each other or with any railroad in their corporate family; (2) the continuance in control is not part of a series of anticipated transactions that would connect the railroads with each other or with any railroad in their corporate family; and (3) the transaction does not involve a class I carrier.

As a condition to this exemption, any employees adversely affected by the transaction will be protected under *New York Doc Ry.—Control—Brooklyn Eastern Dist.*, 360 I.C.C. 60 (1979).

¹ The ICC Termination Act of 1995, Pub. L. 104-88, 109 Stat. 803 (the Act), which was enacted on December 29, 1995, and took effect on January 1, 1996, abolished the Interstate Commerce Commission (ICC) and transferred certain functions and proceedings to the Surface Transportation Board (Board). Section 204(b)(1) of the Act provides, in general, that proceedings pending before the ICC on the effective date of that legislation shall be decided under the law in effect prior to January 1, 1996, insofar as they involve functions retained by the Act. This notice relates to a proceeding that was pending with the ICC prior to January 1, 1996, and to functions that are subject to Board jurisdiction pursuant to 49 U.S.C. 11323. Therefore, this notice applies the law in effect prior to the Act, and citations are to the former sections of the statute, unless otherwise indicated.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to reopen the proceeding to revoke the exemption under 49 U.S.C. 10502 [formerly section 10505(d)] may be filed at any time. The filing of a petition to reopen will not stay the exemption's effectiveness. An original and 10 copies of all pleadings, referring to Finance Docket No. 32852, must be filed with the Office of the Secretary, Case Control Branch, Surface Transportation Board, 1201 Constitution Avenue, N.W., Washington, DC 20423. In addition, a copy of each pleading must be served on Keith G. O'Brien, Rea, Cross & Auchincloss, 1920 N Street, NW, Suite 420, Washington, DC 20026.

Decided: January 26, 1996.

By the Board, David M. Konschnik,
Director, Office of Proceedings.

SUPPLEMENTARY INFORMATION:

Background

On November 16, 1995, Customs published a document in the Federal Register (60 FR 57621) proposing to change the practice regarding the country of origin marking of wearing apparel. Customs previously has ruled that wearing apparel, such as shirts, blouses, coats, sweaters, etc., must be marked with the name of the country of origin by means of a fabric label or label made from natural or synthetic film sewn or otherwise permanently affixed on the inside center of the neck midway between the shoulder seams or in that immediate area or otherwise permanently marked in that area in some other manner. Buttons tags, string tags and other hand tags, paper labels and other similar methods of marking are not acceptable. In the November 16 Federal Register document Customs proposed to change this practice. Customs proposed to evaluate the marking of such wearing apparel on a case-by-case basis in order to determine whether the requirements of the marking statute, 19 U.S.C. 1304, are satisfied.

The comment period for this proposed change of practice expired on January 16, 1996. However, Customs has received requests from interested parties to extend the period of time for comments in order to afford the parties additional time to prepare responsive comments. Customs believes that it is appropriate to grant the request. Accordingly, the period of time for the submission of comments is extended another 60 days. With the extension, comments must be received on or before March 15, 1996.

Dated: January 26, 1996.
Stuart P. Seidel,
Assistant Commissioner, Office of
Regulations and Rulings.
