

U.S.C. § 3105(b)(1)) and is authorized by state law (New York State Banking Law §513). Data from Schedule M, "Due to/ Due from Related Banking Institutions in the U.S. and in Foreign Countries," is given confidential treatment (5 U.S.C. § 552(b)(4)).

**Abstract:** This report collects selected balance sheet items from New York State investment companies chartered under Article XII of New York state banking law that are engaged in banking and that are majority owned by foreign banks. The Federal Reserve uses data from the FR 2886a to construct various banking statistics, including money stock, bank credit aggregates, and nondeposit sources of funds for commercial banks. The New York State Banking Department uses data from the FR 2886a for supervisory purposes.

Over the last few years the number of respondents required to file this report has declined with asset coverage shrinking significantly. Because of the very small number of respondents and the diminished importance that they represent in the construction of the Board's various banking statistics, the Federal Reserve proposes to discontinue the collection of this report. The New York State Banking Department will continue to collect the FR 2886a on their own behalf for supervisory purposes.

### Formations of, Acquisitions by, and Mergers of Bank Holding Companies

The company listed in this notice has applied to the Board for approval, pursuant to the Bank Holding Company Act of 1956 (12 U.S.C. 1841 *et seq.*) (BHC Act), Regulation Y (12 CFR Part 225), and all other applicable statutes and regulations to become a bank holding company and/or to acquire the assets or the ownership of, control of, or the power to vote shares of a bank or bank holding company and all of the banks and nonbanking companies owned by the bank holding company, including the companies listed below.

The application listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. Once the application has been accepted for processing, it will also be available for inspection at the offices

of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act, including whether the acquisition of the nonbanking company can "reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices" (12 U.S.C. 1843). Any request for a hearing must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal. Unless otherwise noted, nonbanking activities will be conducted throughout the United States.

Unless otherwise noted, comments regarding the application must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than August 12, 1996.
