The HHS is the source agency, i.e., the agency disclosing the records for the purpose of the match. The DMDC is the specific recipient agency or matching agency, i.e., the agency that actually performs the computer matching.

B. Purpose of the match: The purpose of this Matching Program is to fulfill one of the objectives of Executive Order 12953. C. Authority for conducting the match: Legal authority for conducting matches for the general purpose of locating parents who are not paying child support, so that State CSE agencies can take action to secure such child support payments, is contained in Section 453 of the Social Security Act, 42 U.S.C. 653. Specific authority directing Federal agencies to conduct this crossmatch is contained in section 304 of Executive Order 12953 (February 27, 1995; 60 FR 11013, February 28, 1995).

D. Records to be matched: The systems of records maintained by the respective agencies under the Privacy Act, from which records will be disclosed for the proposed computer match are as follows:

DMDC will match the data provided by ACF against the Defense Logistics Agency system identified as S322.10 DMDC entitled 'Defense Manpower Data Center Data Base', published in the Federal Register on February 20, 1996, p. 6355, Vol. 61, No. 34.

E. Description of computer matching program: ACF will submit to DMDC a tape containing approximately 4.1 million delinquent obligors which is made up of individual record subjects containing the Noncustodial parent's (NCP's) Social Security Number (SSN), NCP's last name, other ACF or OCSE data as required for identification purposes to be matched against DMDC Data Base containing approximately 10 million records. DMDC will disclose to OCSE the following information for each match: NCP name, NCP SSN, NCP date of birth, NCP home address (if available), Employer's name, Employer's address (if available), Type of employment (if available) and annual salary.

G. Inclusive dates of the matching program: This computer matching program is subject to review by the Office of Management and Budget and Congress. If no objections are raised by either, and the mandatory 30 day public notice period for comment has expired for this Federal Register notice with no significant adverse public comments in receipt resulting in a contrary determination, then this computer matching program becomes effective and the respective agencies may begin the exchange of data 30 days after the date of this published notice at a mutually agreeable time and will be repeated on periodic basis. Under no circumstances shall the matching program be implemented before the 30 day public notice period for comment has elapsed as this time period cannot be waived. By agreement between HHS and DMDC, the matching program will be in effect and continue for 18 months with an option to extend it for 12 additional months.
