

of the Act ⁵ and Rule 19b-4(e)(6) thereunder.⁶

The Commission notes that although it is reasonable for the Exchange to remove the affected provisions as mandatory listing standards,⁷ proposals that deviated from these standards might raise novel or significant regulatory issues that would require a proposed rule change to list the product.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 552, will be available for inspection and copying at the Commission's Public Reference Section, 450 Fifth Street, NW., Washington, DC 20549. Copies of such filing also will be available for inspection and copying at the principal office of the Exchange. All submissions should refer to File No. SR-Phlx-96-28 and should be submitted by August 21, 1996.

⁵ 15 U.S.C. 78s(b)(3)(A).

⁶ 17 CFR 240.19b-4(e)(6).

⁷ The affected provisions currently prevent the listing of (1) any cash settled product settled in any currency other than U.S. dollars or (2) any product that had a mandatory redemption price of less than three dollars.

⁸ See e.g., Securities Exchange Act Release No. 27753 (March 1, 1990), 55 FR 8626 (March 8, 1990) (order approving File-No. SR-Amex-89-29). For example, a stock index-linked note that was payable in a foreign currency would raise important regulatory issues among which might include the need to address appropriate product term and risk disclosure, customer suitability, and settlement procedures. Accordingly, the Commission expects the Phlx to consult with it on the need to file a Section 19(b) rule change to list a product with such terms under the Rule 803(f) listing standards.

⁹ 17 CFR 220.30-3(a)(12).

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

Deputy Secretary.
