

certifying that neither the party withdrawing its interest nor its principals has received any consideration in excess of legitimate and prudent expenses in exchange for dismissing/withdrawing its petition, an itemization of the expenses for which it is seeking reimbursement, and the terms of any oral agreement. Each remaining party to any written or oral agreement must submit an affidavit within 5 days of petitioner's request for approval stating that it has paid no consideration to the petitioner in excess of the petitioner's legitimate and prudent expenses. The data is used by FCC staff to ensure that an expression of interest in applying for, constructing, and operating a station was filed under appropriate circumstances and not to extract payment in excess of legitimate and prudent expenses.

OMB Number: 3060-0175.

Title: Section 73.1250 Broadcasting emergency information.

Form Number: None.

Type of Review: Extension.

Affected Public: Business or other for-profit.

Number of Respondents: 50.

Estimated time per response: 1 hour.

Total annual burden: 50 hours.

Needs and Uses: Emergency situations in which the broadcasting of information is considered as furthering the safety of life and property include, but are not limited to, tornadoes, hurricanes, floods, tidal waves, earthquakes, and school closings. Section 73.1250(e) requires that immediately upon cessation of an emergency during which broadcast facilities were used for the transmission of point-to-point messages or when daytime facilities were used during nighttime hours by an AM station, a report in letter form shall be forwarded to the FCC in Washington, D.C., setting forth the nature of the emergency, the dates and hours of the broadcasting of emergency information and a brief description of the material carried during the emergency. A certification of compliance with the noncommercialization provision must accompany the report where daytime facilities are used during nighttime hours by an AM station. The report is used by FCC staff to evaluate the need and nature of the emergency broadcast to confirm that an actual emergency existed.

OMB Number: 3060-0423.

Title: Section 73.3588 Dismissal of petitions to deny or withdrawal of informal objections.

Form Number: None.

Type of Review: Extension.

Affected Public: Business or other for-profit.

Number of Respondents: 80 petitioners.

Estimated time per response: 20 minutes—8 hours (20 minutes consultation; 8 hours contracted attorney).

Total annual burden: 26 hours.

Needs and Uses: Section 73.3588 requires a petitioner to obtain approval from the FCC to dismiss or withdraw its petition to deny when it is filed against a renewal application and applications for new construction permits, modifications, transfers and assignments. This request for approval must contain a copy of any written agreement, an affidavit stating that the petitioner has not received any consideration in excess of legitimate and prudent expenses in exchange for dismissing/withdrawing its petition and an itemization of the expenses for which it is seeking reimbursement. Each remaining party to any written or oral agreement must submit an affidavit within 5 days of petitioner's request for approval stating that it has paid no consideration to the petitioner in excess of the petitioner's legitimate and prudent expenses. The data is used by FCC staff to ensure that a petition to deny or informal objection was filed under appropriate circumstances and not to extract payments in excess of legitimate and prudent expenses.

OMB Number: 3060-0452.

Title: Section 73.3589 Threats to file petitions to deny or informal objections.

Form Number: None.

Type of Review: Extension.

Affected Public: Business or other for-profit.

Number of Respondents: 15 AM/FM/TV stations.

Estimated time per response: 20 minutes—1 hour (20 minute consultation time; 1 hour contracted attorney).

Total annual burden: 5 hours.

Needs and Uses: Section 73.3589 requires an applicant or licensee to file with the FCC a copy of any written agreement related to the dismissal or withdrawal of a threat to file a petition to deny or informal objection and an affidavit certifying that neither the would-be petitioner nor any person or organization related to the would-be petitioner has not or will not receive any consideration in excess of legitimate and prudent expenses incurred in threatening to file. The data is used by FCC staff to ensure that a threat to file a petition to deny or informal objection was made under appropriate circumstances and not to extract

payments in excess of legitimate and prudent expenses.

OMB Number: 3060-0251.

Title: Section 74.833 Temporary authorizations.

Form Number: None.

Type of Review: Extension.

Affected Public: Business or other for-profit.

Number of Respondents: 6 low power auxiliary stations.

Estimated time per response: 2 hours.

Total annual burden: 12 hours.

Needs and Uses: Section 74.833 requires that requests for special temporary authorization be made by informal applications for low power auxiliary station operations which cannot be conducted in accordance with Section 74.24 of the FCC's rules and for operations of a temporary nature. (Section 74.24 states that classes of broadcast auxiliary stations may be operated on a short-term basis under the authority conveyed by a Part 73 licensee without prior authorization from the FCC, subject to certain conditions.) The data is used by FCC staff to insure that the temporary operation of a low power auxiliary station will not cause interference to other existing stations and to assure compliance with current FCC rules and regulations.

Notice of Public Information Collections Submitted to OMB for Review and Approval

July 31, 1996.

SUMMARY: The Federal Communications, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility;

(b) the accuracy of the Commissions burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before September 5, 1996. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Dorothy Conway, Federal Communications Commission, Room 234, 1919 M St., N.W., Washington, DC 20554 or via internet to dconway@fcc.gov and Timothy Fain, OMB Desk Officer, 10236 NEOB 725 17th Street, N.W., Washington, DC 20503 or fain-t@a1.eop.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION: On April 3, 1996 the Commission submitted the following collection to OMB for review and approval. The Commission inadvertently did not publish the Federal Register Notice request comments upon submission of this collection. Therefore we are requesting comments.

OMB Approval Number: 3060-0641
Title: Amendment to Parts 2 and 90 of the Commission's Rules to provide for the use of 200 Channels outside of the Designated Filing Areas in the 896-901 MHz Bands Allotted to the Specialized Mobile Radio Pool, 2nd Order on Reconsideration & 7th R&O for

the 900 MHz Specialized Mobile Radio Service.

Form No: N/A.
Type of Review: Revision of a currently approved collection.

Respondents: Individuals or households; Business or other for-profit.

Estimated Time Per Response: The Commission estimates the following: 4 hours per respondent to prepare ownership and gross revenue information for small business; 30 minutes per respondent to disclose the terms of joint bidding agreements and maintaining files on transfer of disclosure information; and 2 hours per respondent to provide information to show compliance with coverage requirements. Additionally, the Commission estimates approximately 75% of the respondents may hire a contractor to prepare the information. The time estimated for obtaining these services is 30 minutes per respondent for each requirement.

Total Annual Burden: 1,139 hours.

Costs to the Respondents: The Commission estimates an average salary for a contractor of \$200 an hour. The cost for hiring these contractors is approximately \$284,251.

Needs and Uses: The information will be used by the Commission to determine whether the applicant is legally, technically and financially qualified to be a licensee. Without such information the Commission could not determine whether to issue the licenses to the applicants that provides telecommunications services to the public and therefore fulfill its statutory responsibilities in accordance with the Communications Act of 1934, as amended. The information will also be used to ensure the market integrity of the auction. This collection has been revised to include the burden for any licenses that may be re-auctioned.
