

377 Keahole Street, Honolulu, Hawaii 96825; the Lahaina—Pakui branch located at 135 Papalua Street, Lahaina, Hawaii 96761; and the Market branch located at 2005 Main Street, Wailuku, Hawaii 96793 (collectively the “divestiture branches”).

The proposed modification of the Final Judgment is limited to Section V.A., which requires First Hawaiian to divest the divestiture branches to federally insured financial institution(s) that offer customers, at a minimum, transaction account deposits and commercial loans. Despite its best efforts over a four-year period, First Hawaiian has been unsuccessful in finding a qualified purchaser for the divestiture branches within the meaning of the Final Judgment. Finance Factors, Ltd., a company not authorized to offer transaction account deposits, has now offered to acquire the divestiture branches’ outstanding loans and other assets, as well as the non-transaction account deposits. The proposed modification would allow First Hawaiian to satisfy the divestiture requirements of the Final Judgment by allowing First Hawaiian to sell the loans and other assets, and the non-transaction account deposits, of the divestiture branches to Finance Factors, or a similar business, with the prior approval of the Department of Justice.

First Hawaiian and the United States have filed memoranda with the Court setting forth why the proposed modification is in the public interest. Copies of the Complaint, Final Judgment, motion papers, the modification memoranda, all comments submitted and all further papers filed with the Court will be available for inspection at Room 200, Antitrust Division, United States Department of Justice, 325 Seventh Street, N.W., Washington, D.C. 20530 (telephone: 202/514-2481), and at the Office of the Clerk of the United States District Court for the District of Hawaii. Copies of these materials may be obtained from the Antitrust Division upon request and payment of the copying fee set by Department of Justice regulations.

Interested persons may submit to the United States comments regarding the proposed modification. Comments must be received on or before February 18, 1996, by sending them to Mr. Ian Simmons, Computers and Finance Section, Antitrust Division, Department of Justice, 555 Fourth Street, N.W., Room 9903, Washington, D.C. 20001 (telephone: 202/307-6164). Copies of, and its responses to, if any, any

comments will be filed with the Court by the Government.

Drug Enforcement Administration

Manufacturer of Controlled Substances; Notice of Registration

By Notice dated August 21, 1995, and published in the Federal Register on August 30, 1995, (60 FR 45169), Celgene Corporation, 7 Powder Horn Drive, Warren, New Jersey 07059, made application to the Drug Enforcement Administration (DEA) for registration as a bulk manufacturer of the basic classes of controlled substances listed below:

Drug	Schedule
2, 5-Dimethoxyamphetamine (7396).	I
Amphetamine (1100)	II

A registered manufacturer filed an objection dated October 16, 1995, to the registration of Celgene Corporation as a bulk manufacturer of amphetamine stating that they do not believe there is need for another manufacturer. They also requested a hearing if DEA would not deny the application. Under Title 21, Code of Federal Regulations, Section 1301.43(b), DEA is not required to limit the number of manufacturers solely because a smaller number is capable of producing an adequate supply provided effective controls against diversion are maintained. DEA has conducted an investigation of Celgene Corporation, and determined that effective controls against diversion will be maintained. The request for a hearing is not valid since it was received after July 20, 1995, the date Title 21, Code of Federal Regulations, Section 1304.43(a) was amended to eliminate the third-party manufacturer hearing requirement for

objections to certain bulk manufacturers.

Therefore, pursuant to section 303 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 and Title 21, Code of Federal Regulations, Section 1301.54(e), Deputy Assistant Administrator, Office of Diversion Control, hereby orders that the application submitted by the above firm for registration as a bulk manufacturer of the basic classes of controlled substances listed above is granted.

Dated: December 15, 1995.

Gene R. Haislip,

Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration.
