SUPPLEMENTARY INFORMATION:

Background Information

The Coast Guard published an advance notice of proposed rulemaking in the Federal Register on December 31, 1984 (49 FR 50745). That notice described the major changes under consideration and invited comments on the project.

The Coast Guard published a notice of proposed rulemaking (NPRM) for the rulemaking in the Federal Register on April 21, 1989 (54 FR 16196), and invited comments on its proposals.

A public hearing was held to receive comments on the proposed rules, particularly the provisions affecting passenger ferries. The hearing was announced in a Federal Register notice on October 5, 1989 (54 FR 41124), and held in Seattle, Washington, on October 17, 1989.

On May 20, 1996, the Coast Guard published an interim rule in the Federal Register (61 FR 25272) entitled, "Lifesaving Equipment." The project is part of the President's Regulatory Review Initiative to remove or revise unnecessary government regulations. The interim rule removes numerous obsolete sections from the Code of Federal Regulations and eliminates duplication of other provisions by consolidating the lifesaving requirements for most U.S. inspected vessels into the new subchapter W. The rule also revises the lifesaving equipment regulations for U.S. inspected vessels. It implements the provisions of Chapter III of the Safety of Life at Sea Convention (SOLAS) 1974, as amended, and revises lifesaving regulations for Great Lakes vessels and certain vessels in domestic trade which are not covered by SOLAS. The rule also replaces many prescriptive regulations with performance-based alternatives. Because it had been more than 5 years since publication of the NPRM, the Coast Guard requested public comment on the interim rule. The Coast Guard is holding this public meeting in response to comments received relating to the requirements for passenger vessels in domestic service.

Public Meeting

Attendance is open to the public. Persons who are hearing impaired may request sign translation by contacting

the person under **FOR FURTHER INFORMATION CONTACT** at least 1 week before the meeting. With advance notice, and as time permits, members of the public may make oral presentations during the meeting. Persons wishing to make oral presentations should notify the person listed under **FOR FURTHER INFORMATION CONTACT** no later than the day before the meeting. Written material may be submitted prior to, during, or after the meeting. Persons unable to attend the public meetings are encouraged to submit written comments as outlined in the interim rule prior to October 31, 1996.
