

**Notice Pursuant to the National Cooperative Research and Production Act of 1993—Mobile Information Infrastructure for Digital Video and Multimedia Applications Joint Venture**

Notice is hereby given that, on August 1, 1996, pursuant to § 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), the Mobile Information Infrastructure for Digital Video and Multimedia Applications Joint Venture ("MII Joint Venture") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, the identity of the new member is: Lucent Technologies Inc., Murray Hill, NJ. In addition, AT&T Corp. has withdrawn from the joint venture.

No other changes have been made in either the membership or planned activity of the joint venture. Membership in this joint venture remains open. MII Joint Venture intends to file additional written notifications disclosing all membership changes.

On September 28, 1995, the MII Joint Venture filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the Federal Register pursuant to section 6(b) of the Act on February 15, 1996 (61 Fed. Reg. 6039).

**Notice Pursuant to the National Cooperative Research and Production Act of 1993—Model HDTV Station Project, Inc.**

Notice is hereby given that, on June 28, 1996, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), the Model HDTV Station Project, Inc. has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b)

of the Act, the identities of the parties are: The Association for Maximum Service Television, Inc., Washington, DC; and the Electronic Industry Association, Arlington, VA.

The general area of planned activity is to conduct cooperative research in the design, installation and operation of the first High Definition Digital Television ("HDTV") station in the United States (the "Model Station"). Design and operation of the Model Station shall include evaluation and performance of a wide range of digital studio, distribution, transmission, and reception equipment and services. The Model Station may also conduct propagation, interference and coverage experiments and is intended for use as a training facility for the broadcast community and a demonstration for the public.
