Savannah Manufacturing Corporation and Hickory Hills Industries, Inc., Tennessee; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility To Apply for Worker Adjustment Assistance on July 3, 1996, applicable to all workers of Savannah Manufacturing Corporation located in Savannah, Tennessee. The notice was published in the Federal Register on August 2, 1996 (61 FR 40454).

At the request of the company, the Department reviewed the certification for workers of the subject firm. New information provided by the company shows that worker separations have occurred at Hickory Hills Industries, Inc., Clifton, Tennessee, which is the headquarters of Savannah Manufacturing. The workers at Hickory Hills Industries provided administrative services supporting the production of children's sportswear at Savannah Manufacturing. Based on these new findings, the Department is amending the certification to cover workers of Hickory Hills Industries, Inc. in Clifton, Tennessee.

The intent of the Department's certification is to include all workers of Savannah Manufacturing who were adversely affected by increased imports.

The amended notice applicable to TA-W-32,487 is hereby issued as follows:

"All workers of Savannah Manufacturing Corporation, Savannah, Tennessee (TA-W-32,487) and Hickory Hills Industries, Inc., Clifton, Tennessee (TA-W-32,487A) who became totally or partially separated from employment on or after June 7, 1995 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."
