Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

**SUPPLEMENTARY INFORMATION:** Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 3506 (c)(2)(A)) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director of the Information Resources Group, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping

burden. ED invites public comment at the address specified above. Copies of the requests are available from Patrick J. Sherrill at the address specified above.

The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department, (2) will this information be processed and used in a timely manner, (3) is the estimate of burden accurate, (4) how might the Department enhance the quality, utility, and clarity of the information to be collected, (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology, and (6) Abstract. Because an emergency review is requested, the additional information to be requested in this collection is included in the section on **ADDITIONAL INFORMATION** in this notice.

### **DEPARTMENT OF ENERGY**

#### **Energy Research Financial Assistance Program Notice 96-05; Research for Improving Vehicular Transportation and Reducing Energy Consumption and Pollution From Manufacturing Processes**

**AGENCY:** Department of Energy (DOE).

**ACTION:** Notice inviting grant applications.

**SUMMARY:** The U. S. Department of Energy (DOE), hereby announces interest in receiving grant applications for performance of basic and applied research to support two important, long-term national objectives: (1) Improving vehicular transportation, and (2) reducing energy consumption and pollution from energy and pollution intensive manufacturing processes. Within the DOE, the Office of Energy Research interests are in support of basic research and the Office of Energy Efficiency and Renewable Energy

interests are in support of applied research. Each component within the Department of Energy will use its own funding authorities and appropriations to administer funding in support of this project.

**DATES:** Potential applicants are strongly encouraged to submit a brief preapplication. All preapplications, referencing Program Notice 96-05, should be received by DOE by 4:30 p.m. e.s.t., March 1, 1996. A response discussing the potential program relevance of a formal application generally will be communicated to the applicant within 30 days of receipt. The deadline for receipt of formal applications is 4:30 p.m., e.d.t., May 1, 1996, to be accepted for merit review and to permit timely consideration for award in fiscal year 1996.

**ADDRESSES:** All preapplications, referencing Program Notice 96-05, should be sent to Dr. Walter M. Polansky, Office of Computational and Technology Research, ER-33 (GTN), Office of Energy Research, U.S. Department of Energy, 19901 Germantown Road, Germantown, MD 20874-1290.

After receiving notification concerning successful preapplications, applicants may prepare formal applications and send them to: U.S. Department of Energy, Office of Energy Research, Grants and Contracts Division, ER-64, 19901 Germantown Road, Germantown, Maryland 20874-1290, Attn: Program Notice 96-05. The above address for formal applications must be used when submitting formal applications by U.S. Postal Service Express Mail, any commercial mail delivery service, or when hand carried by the applicant.

**FOR FURTHER INFORMATION CONTACT:** Dr. Walter M. Polansky, Office of Computational and Technology Research, ER-33 (GTN), Office of Energy Research, U.S. Department of Energy, 19901 Germantown Road, Germantown, MD 20874-1290, (301) 903-5995.

**SUPPLEMENTARY INFORMATION:** DOE encourages submission of applications to conduct high-quality research on the fundamental issues that will underpin future vehicular technologies and conversion of energy and pollution intensive industrial processes to more environmentally sound and energy efficient processes. Applications received by DOE under their normal competitive application mechanisms may also be deemed appropriate for consideration under this announcement and may be funded under this program. It is anticipated that the results of the
