**GENERAL SERVICES
ADMINISTRATION****Office of Policy and Evaluation; Notice
of Reporting Requirement Under
Executive Order 12999—Educational
Technology: Ensuring Opportunity for
All Children in the Next Century****Summary**

Executive Order 12999 was signed by President Clinton on April 17, 1996. The order streamlines the transfer of excess educationally useful equipment, including Federal computer equipment, to schools and nonprofit organizations pursuant to section 11(i) of the Stevenson Wydler Technology Innovation Act, as amended (15 U.S.C. 3710(i)). The Stevenson-Wydler Act

authorizes the heads of Federal agencies and laboratories to transfer excess research equipment directly to educational institutions or nonprofit organizations for technical and scientific education and research.

The order mandates that agencies give the highest preference permitted by law to elementary and secondary schools. It further directs agencies to report to GSA, any excess research equipment that is transferred directly to schools.

In addition to the reporting requirement in EO 12999, section 202(e) of the Federal Property and Administrative Services Act of 1949, as amended (40 U.S.C. 483(e)), requires executive agencies to submit to GSA an annual report of personal property furnished to non-Federal recipients

(Non-Federal Recipients Report) during the previous fiscal year.

In an effort to minimize agencies' reporting burden, GSA has identified an already existing reporting vehicle (i.e., the Non-Federal Recipients Report) to satisfy the reporting requirement of EO 12999. Agencies must, therefore, be sure to include any transfers under EO 12999 in the Non-Federal Recipients Report. The report, in letter form, must include the name and address of each recipient, the original acquisition cost of all property furnished to each recipient identified by the appropriate two-digit Federal supply classification group, and an explanation as to the type of recipient; e.g., schools that receive property under EO 12999, other Stevenson-Wylder Act donees, all contractors (fixed-price, cost-reimbursable, etc.), all grantees (project, formula, etc.), and any other individual or organization that is not a Federal agency. The report is required to be submitted to GSA within 90 calendar days after the close of each fiscal year. Negative reports are required.

Additional information may be obtained by writing to the General Services Administration, Office of Governmentwide Policy, Personal Property Management Policy Division (MTP), Washington, DC 20405.

Dated: September 12, 1996.

G. Martin Wagner,
Associate Administrator.

Advisory Committee on Immunization Practices: Announcement of Meeting and Request for Comments on Proposed Incorporation of IPV/OPV Sequential Schedule Into the Vaccines for Children Program

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following committee meeting.

Name: Advisory Committee on Immunization Practices (ACIP).

Times and Dates:

8:30 a.m.-6:00 p.m., October 23, 1996

8:30 a.m.-1:15 p.m., October 24, 1996

Place: CDC, Auditorium A, Building 2, 1600 Clifton Road, NE, Atlanta, Georgia 30333.

Status: Open to the public, limited only by the space available.

Purpose

The Committee is charged with advising the Director, CDC, on the appropriate uses of immunizing agents. In addition, under 42 U.S.C. § 1396s, the Committee is mandated to establish and periodically review and, as appropriate, revise, the list of vaccines for administration to vaccine-eligible children through the Vaccines for Children (VFC) Program, along with schedules regarding the appropriate periodicity, dosage, and contraindications applicable to the vaccines.

Matters to be Discussed

Under the authority of 42 U.S.C. § 1396s, the Committee will consider adoption of a resolution to incorporate into the VFC Program a recommended sequential schedule of inactivated poliovirus vaccine (IPV) followed by oral poliovirus vaccine (OPV), with schedules of OPV alone or IPV alone also being acceptable. This proposed VFC resolution is consistent with the Committee's general poliomyelitis recommendation that was adopted at the June 20, 1996, ACIP meeting.

Given the considerable interest in the polio immunization schedule, opportunity for submitting written comments was provided and a public hearing was held prior to the Committee's adoption of their general poliomyelitis recommendation at the June 20 ACIP meeting. The Committee now invites submission of written comments on the proposed VFC resolution pertaining to incorporation of the sequential IPV/OPV schedule into the VFC Program. Copies of the proposed resolution are available by notifying the contact person. Copies will be sent electronically upon request. Written comments on the proposed resolution should be submitted to the contact person and must be received by October 18, 1996.

Other topics to be discussed at the meeting include a draft statement on measles, mumps, and rubella (MMR); implementation of polio vaccination recommendation; acellular pertussis vaccines recommendations; recommendations for rabies postexposure prophylaxis (PEP); COMVAX® (combined Hib and Hepatitis B vaccine); draft statement on the immunization of health care workers; varicella vaccine update; recommendations for strategies to increase immunization coverage; the National Immunization Survey (NIS); assessment and feedback of practice-

based immunization coverage data; activation of HIV replication due to immunizations and acute illnesses; harmonization of the childhood immunization schedule; status of SmithKline Beecham Biological's candidate herpes simplex virus vaccine; update on Vaccine Injury Compensation Program; and the results of a study on influenza during pregnancy. Other matters of relevance among the Committee's objectives may be discussed.

Agenda items are subject to change as priorities dictate.
