Detailed information concerning this action is available for review at the BLM, Las Cruces District Office, 1800 Marquess, Las Cruces, New Mexico, 88005. Upon publication of this notice in the Federal Register, the lands will be segregated from all forms of appropriation under the public land laws, including the general mining laws, except for lease or conveyance under the R&PP Act and leasing under the mineral leasing laws. On or before November 27, 1996, interested persons may submit comments regarding the proposed lease/conveyance or classification of the lands to the District Manager, Las Cruces District Office, 1800 Marquess, Las Cruces, New Mexico 88005. Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective 60 days from the date of publication of this notice.

Classification Comments: Interested parties may submit comments involving the suitability of the land for a substation and training facility. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proposed administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a substation and training facility.

Dated: October 4, 1996.
Richard T. Watts,
Acting District Manager.

Geological Survey

Federal Geographic Data Committee (FGDC); Public Meeting to Develop a Strategy for the National Spatial Data Infrastructure (NSDI)

AGENCY: U.S. Geological Survey, Interior.

ACTION: Notice of meeting.

SUMMARY: This notice is to invite public participation in an FGDC-sponsored meeting to design strategies for further development of NSDI.

TIME AND PLACE: November 7-8, 1996. The one and one-half day meeting will be held in the Chicago area at the Days Inn O'Hare South, 3801 N. Mannheim Road, Schiller Park, IL 60176, phone (847)678-0670. Accommodations are available at the meeting site from the Days Inn nationwide reservation under (800-325-2525); special rates of \$45/day are available to those attending the NSDI Strategy Meeting. There is no charge for attendance at the meeting.

FOR FURTHER INFORMATION CONTACT:

Jennifer Fox, FGDC Secretariat, U.S. Geological Survey, 590 National Center, 12201 Sunrise Valley Drive, Reston, Virginia 20192; telephone (703) 648-5514; facsimile (703) 648-5755; Internet "gdc@usgs.gov".

SUPPLEMENTARY INFORMATION: The FGDC is a committee of Federal agencies charged with coordinating the development of the NSDI. The NSDI includes the technology, policies, and people necessary to promote geospatial data sharing throughout all levels of government, the private and non-profit sectors, and academia. FGDC subcommittees and working groups, assisted by representatives of the broader geospatial data community, establish standards for data content, quality, and transfer; encourage the exchange of information and the transfer of data; and organize the collection of geographic data to reduce duplication of effort. A plan developed in 1994 guided initial NSDI implementation activities. The November 7-8 meeting will provide an opportunity for the entire geospatial community of data producers and users to participate in open discussion and development of NSDI implementation strategies for the next four years. The draft strategy document is available for review prior to the meeting by contacting Jennifer Fox (see contact information) or at Internet address <http://www.fgdc.gov/strategy/>
