**Notice of Inventory Completion for
Native American Human Remains from
Hawaii in the Possession of the
University of Kansas, Museum of
Anthropology, Lawrence, KS**

AGENCY: National Park Service, Interior.
ACTION: Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003 (d), of the completion of an inventory of human remains from Hawaii in the possession of the Museum of Anthropology, University of Kansas, Lawrence, KS.

A detailed assessment of the human remains was made by Museum of Anthropology professional staff in consultation with representatives of *Hui Mālama I Nā Kūpuna 'O Hawai'i Nei*.

Prior to 1947 human remains representing three individuals were donated to the Museum of Anthropology by Mr. L.A. Walworth. No known individuals were identified. There are no associated funerary objects.

Accession records list these human remains as being collected from the "battle field of 1820, Isle of Kanai (sic), belonging to the O'ahu tribe, Hawaii." Representatives of *Hui Mālama I Nā Kūpuna 'O Hawai'i Nei* indicate that Native Hawaiian were involved in a battle on the island of Kaua'i in 1825, not 1820. Documentation on this battle is mentioned in, *Ruling Chiefs of Hawaii* by Samuel M. Kamakau, The Kamehameha Schools Press, Honolulu, 1992.

Based on the above mentioned information, officials of the Museum of Anthropology, University of Kansas have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of three individuals of Native American ancestry. Officials of the Museum of Anthropology have also determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and *Hui Mālama I Nā Kūpuna 'O Hawai'i Nei*, the Office of Hawaiian Affairs and the Kauai/Nihau Island Burial Council.

This notice has been sent to officials of *Hui Mālama I Nā Kūpuna 'O Hawai'i Nei*, the Office of Hawaiian Affairs and the Kauai/Nihau Island Burial Council. Representatives of any other Native Hawaiian organization that believes itself to be culturally affiliated with these human remains should contact Mary Adair, Museum of Anthropology, University of Kansas, Lawrence, Kansas 66045; telephone (913) 864-4245 before November 15, 1996. Repatriation of the human remains to *Hui Mālama I Nā Kūpuna 'O Hawai'i Nei*, the Office of Hawaiian Affairs, and the Kauai/Nihau Island Burial Council may begin after that date if no additional claimants come forward.

Dated: October 10, 1996,

Manager, Archeology and Ethnography

Jaunty Textile, a Division of Advanced Textile Composites, Incorporated, Scranton, PA; Notice of Revised Determination on Reconsideration

On July 3, 1996, the Department issued a Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to all workers of Jaunty Textile, a Division of Advanced Textile Composites, Incorporated located in Scranton, Pennsylvania. The notice was published in the Federal Register on August 2, 1996 (61 FR 40453).

Investigation findings show that the workers produced woven synthetic fabrics. The workers were denied TAA because the "contributed importantly" test of the Group Eligibility Requirements of the Trade Act was not met.

By letter of August 2, 1996, a company official requested administrative reconsideration of the Department's findings. The company provided new information regarding a major customer, reducing purchases from Jaunty, that had been inadvertently excluded from their list of customers. On reconsideration, the Department surveyed the customer. New investigation findings on reconsideration show that the customer began importing synthetic woven textiles in 1996.

Conclusion

After careful consideration of the new facts obtained on reconsideration, it is concluded that the workers of Jaunty Textile, a Division of Advanced Textile Composites, Incorporated, Scranton, Pennsylvania were adversely affected by increased imports of articles like or directly competitive with synthetic woven textiles produced at the subject firm.

"All workers of Jaunty Textile, a Division of Advanced Textile Composites, Incorporated, Scranton, Pennsylvania, who became totally or partially separated from employment on or after May 1, 1995, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."
