## Federal Energy Regulatory Commission

[Docket No. TM 97–1–120–001]

### Carnegie Interstate Pipeline Company; Notice of Compliance Filing

October 10, 1996.

Take notice that on October 7, 1996, Carnegie Interstate Pipeline Company (CIPCO), in compliance with the letter order issued in the above-captioned proceeding on September 30, 1996, tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, the following revised tariff sheet:

Substitute Ninth Revised Sheet No. 7

CIPCO proposed that the tariff sheet become effective on October 1, 1996

CIPCO states that since the time that CIPCO filed Ninth Revised Sheet No. 7 on August 30, 1996, CIPCO received and paid an annual charges bill for fiscal year 1996. To reflect the payment of that bill, and in compliance with the letter order accepting Ninth Revised Sheet No. 7, CIPCO filed a substitute sheet to

reflect the current Annual Charge Adjustment charge of \$0.0020 per Mcf, adjusted of \$0.0019 per Dth to reflect CIPCO's measurement basis.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 18 CFR 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. **Colorado Interstate Gas Company; Notice of Proposed Changes in FERC Gas Tariff**

October 10, 1996.

CIG states it has tendered for filing tariff sheets to simplify its Form of Transportation Service Agreements. CIG alleges it is proposing to make the changes to reduce administrative burden, avoid confusion and to prepare for electronic contracting. CIG also states it is proposing to add language articulating its open access policies with respect to receipt and delivery taps on its system. CIG alleges similar language was in its transportation tariff before its Order No. 636 tariff, but was not brought forward, and CIG is correcting that oversight.

CIG states that copies of this filing were served upon all CIG transportation customers and State Commissions where CIG provides transportation services.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.211 and 385.214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211).

All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the public reference room.
