

Nor to Terminate Suspended Investigations.

SUMMARY: The Department of Commerce is notifying the public of its determination not to revoke the antidumping duty orders and findings nor to terminate the suspended investigations listed below.

EFFECTIVE DATE: October 30, 1996.

FOR FURTHER INFORMATION CONTACT: Michael Panfeld or the analyst listed under Antidumping Proceeding at: Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230.

SUPPLEMENTARY INFORMATION: The Department of Commerce (the Department) may revoke an antidumping duty order or finding or terminate a suspended investigation, pursuant to 19 CFR § 353.25(d)(4)(iii), if no interested party has requested an administrative review for four consecutive annual anniversary months and no domestic interested party objects to the revocation or requests an administrative review.

We had not received a request to conduct an administrative review for the most recent four consecutive annual anniversary months. Therefore, pursuant to § 353.25(d)(4)(i) of the Department's regulations, on September 3, 1996, we published in the Federal Register a notice of intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations and served written notice of the intent to each domestic interested party on the Department's service list in each case. Within the specified time frame, we received objections from domestic interested parties to our intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations. Therefore, because domestic interested parties objected to our intent to revoke or terminate, we no longer intend to revoke these antidumping duty orders and findings or to terminate the suspended investigations.

Certain Compact Ductile Iron Waterworks Fittings and Glands (CDIW) From the People's Republic of China (PRC); New Shipper Antidumping Duty Administrative Review; Time Limits

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for preliminary results.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the preliminary results of the new shipper antidumping duty administrative review of CDIW from the PRC. The review covers one manufacturer/exporter of the subject merchandise to the United States and the period August 1, 1995 to February 29, 1996.

EFFECTIVE DATE: October 30, 1996.

FOR FURTHER INFORMATION CONTACT: Paul M. Stolz, Office of Antidumping/Countervailing Duty Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone: (202) 482-4474.

SUPPLEMENTARY INFORMATION: Because this is a new shipper review involving a nonmarket economy country, the Department must determine whether the new shipper, Beijing M Star Pipe Corp., Ltd. (BMSP), has not shipped during the period of investigation and whether BMSP is entitled to a separate rate, both of which we intend to verify. For these reasons, we consider this review to be extraordinarily complicated, and are extending the time limit for the completion of the preliminary results to February 13, 1997, in accordance with section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act, effective January 1, 1995. (See Memorandum from Jeffrey P. Bialos to Robert S. LaRossa.) We will issue our final results for this review by May 14, 1997.

This extension is in accordance with section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (19 U.S.C. 1675(a)(2)(B)(iv)).

Dated: October 15, 1996.

Jeffrey P. Bialos,
Principal Deputy Assistant Secretary for
Import Administration.

Certain Forged Steel Crankshafts From Germany, Revocation of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Revocation of Antidumping Duty Order.

SUMMARY: The Department of Commerce (the Department) is notifying the public

of its revocation of the antidumping duty order on certain forged steel crankshafts from Germany because it is no longer of any interest to domestic interested parties.

EFFECTIVE DATE: October 30, 1996.

FOR FURTHER INFORMATION CONTACT: Amy Wei or Michael Panfeld, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230, telephone (202) 482-4737.

SUPPLEMENTARY INFORMATION:

Background

The Department may revoke an antidumping duty order if the Secretary concludes that the duty order is no longer of any interest to domestic interested parties. We conclude that there is no interest in an antidumping duty order when no interested party has requested an administrative review for five consecutive review periods and when no domestic interested party objects to revocation (19 CFR § 353.25(d)(4)(iii)).

On September 3, 1996, the Department published in the Federal Register (61 FR 46437) its notice of intent to revoke the antidumping duty order on certain forged steel crankshafts from Germany (September 23, 1987). Additionally, as required by 19 CFR § 353.25(d)(4)(ii), the Department served written notice of its intent to revoke this antidumping duty order on each domestic interested party on the service list. Domestic interested parties who might object to the revocation were provided the opportunity to submit their comments not later than the last day of the anniversary month.

In this case, we received no requests for review for five consecutive review periods. Furthermore, no domestic interested party, as defined under § 353.2(k)(3), (k)(4), (k)(5), or (k)(6) of the Department's regulations, has expressed opposition to revocation. Based on these facts, we have concluded that the antidumping duty order on certain forged steel crankshafts from Germany is no longer of any interest to interested parties. Accordingly, we are revoking this antidumping duty order in accordance with 19 CFR § 353.25(d)(4)(iii).

Scope of the Order

Imports covered by the revocation are shipments of certain forged steel crankshafts from Germany. This merchandise is currently classifiable under Harmonized Tariff Schedules (HTS) item numbers 8483.10.10, 8483.10.10.30, 8483.10.30.10, and

8483.10.30.50. The HTS numbers are provided for convenience and customs purposes. The written description remains dispositive.

This revocation applies to all unliquidated entries of certain forged steel crankshafts from Germany entered, or withdrawn from warehouse, for consumption on or after September 1, 1996. Entries made during the period September 1, 1995, through August 31, 1996, will be subject to automatic assessment in accordance with 19 CFR § 353.22(e). The Department will instruct the Customs Service to proceed with liquidation of all unliquidated entries of this merchandise entered, or withdrawn from warehouse, for consumption on or after September 1, 1996, without regard to antidumping duties, and to refund any estimated antidumping duties collected with respect to those entries. This notice is in accordance with 19 CFR § 353.25(d).

Dated: October 15, 1996.

Barbara R. Stafford,
Deputy Assistant Secretary for AD/CVD
Enforcement.

Shop Towels From Bangladesh; Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of antidumping duty administrative review.

SUMMARY: On May 6, 1996, the Department of Commerce published the preliminary results of its administrative review of the antidumping duty order on shop towels from Bangladesh. The review covers six shop towel producers that exported this merchandise to the United States during the period March 1, 1994, through February 28, 1995.

Based on our analysis of the comments received on our preliminary results, we have made changes to our calculations for the final results. The review indicates the existence of dumping margins for certain firms during the review period.

EFFECTIVE DATE: October 30, 1996.
