#### **Notice Pursuant to the National Cooperative Research and Production Act of 1993—Gas Utilization Research Forum**

Notice is hereby given that, on September 23, 1996, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), the Participants in the Supplemental Study, titled "LNG Floating Production, Storage and Offloading Facility Study", performed as an extension to the Gas Utilization Research Forum ("GURF") Project No. 2, has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties to the Supplemental Study and (2) the purpose and objectives of the Supplemental Study. The notifications

were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, the parties to the Supplemental Study and GURF Project No. 2 are: Amoco Production Company, Houston, TX; Chevron Research and Technology Company, Richmond, CA; Gaz de France, Research Division, Nantes Cedex 01, FRANCE; Mobil Technology Company, Dallas, TX; and Texaco Natural Gas International, Houston, TX. The contemplated research and development work for the Supplemental Study is to be carried out under contract with the foregoing Participants by M.W. Kellogg Company, 601 Jefferson Avenue, Houston, TX 77002. The purpose of the Supplemental Study is to investigate the feasibility of establishing a vessel as a floating LNG facility designed to liquefy and export approximately one hundred twenty to one hundred forty (120-140) million standard cubic feet of liquefied natural gas per day. The objectives of the Supplemental Study are to select a low cost plant and determine the preferred liquefaction process and vessel configuration, and then to develop a preliminary production vessel description and definition; a conceptual design basis for the production vessel, e.g., capacity, equipment layout, feed gas, etc.; and a preliminary capital and preliminary operating cost estimate for the production vessel.

The Participants intend to file additional written notification disclosing all changes in the membership of the group of Participants involved in this Supplemental Study.

Information on the Supplemental Study may be obtained from Robert J. Motal, Chevron Research and Technology Company, 100 Chevron Way, #50-4314, Richmond, CA 94802-0627.

On May 15, 1995, GURF filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the Federal Register pursuant to Section 6(b) of the Act on June 20, 1995 (60 FR 32170).
