

established in the final results of these reviews;

(2) For previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period;

(3) If the exporter is not a firm covered in these reviews, a prior review, or the LTFV investigations, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and

(4) If neither the exporter nor the manufacturer is a firm covered in these or any previous reviews conducted by the Department, the cash deposit rate for the A-588-054 case will be 18.07 percent, and 36.52 percent for the A-588-604 case (see *Preliminary Results of Antidumping Duty Administrative Reviews; Tapered Roller Bearings, Finished and Unfinished, and Parts Thereof, from Japan and Tapered Roller Bearings, Four Inches or less in Outside Diameter, and Components Thereof, From Japan*, 58 FR 51058, 51061 (September 30, 1993)).

All U.S. sales by each respondent will be subject to one deposit rate according to the proceeding.

The cash deposit rate has been determined on the basis of the selling price to the first unrelated customer in the United States. For appraisal purposes, where information is available, the Department will use the entered value of the subject merchandise to determine the appraisal rate.

This notice serves as a preliminary reminder to importers of their responsibility to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties. These administrative reviews and this notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: October 30, 1996.

Robert S. LaRussa,
Acting Assistant Secretary for Import Administration.

The National Medal of Technology Nomination Evaluation Committee has scheduled a meeting for December 16, 1996.

The Committee was established to assist the Department in executing its responsibilities under 15 U.S.C. 3711. Under this provision, the Secretary is responsible for recommending to the President prospective recipients of the National medal of Technology. The Committee's recommendations are made after reviewing all nominations received in response to a public solicitation. The Committee is chartered to have twelve members.

TIME AND PLACE: The meeting will begin at 10:00 a.m. and end at 3:00 p.m. on December 16, 1996. The meeting will be held in Room 4830 at the U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230.

FOR FURTHER INFORMATION CONTACT: Katie Wolf, Director, National Medal of Technology, U.S. Department of Commerce, 14th and Constitution Avenue, N.W., Herbert C. Hoover Building, Room 4823, Washington, D.C. 20230, (202-482-3953).

If a member of the public would like to submit written comments concerning the committee's affairs at any time before and after the meeting, written comments should be addressed to the Director of the National Medal of Technology as indicated above.

SUPPLEMENTARY INFORMATION: The meeting will be closed to discuss the relative merits of persons and companies nominated for the Medal. Public disclosure of this information would be likely to significantly frustrate implementation of the National Medal of Technology program because premature publicity about candidates under consideration for the Medal, who may or may not ultimately receive the award, would be likely to discourage nominations for the Medal.

Accordingly, I find and determine, pursuant to Section 10(d) of the Federal Advisory Committee Act, 5 U.S.C. app.

2, as amended, that the December 16, 1996, meeting may be closed to the public in accordance with Section 552b(c)(9)(B) of Title 5, United States Code because revealing information about Medal candidates would be likely to significantly frustrate implementation of a proposed agency action.

Due to the closure of the meeting, copies of the minutes of the meeting will not be available, however a copy of the Notice of Determination will be available for public inspection and copying in the office of Katie Wolf, Director, National Medal of Technology, 14th and Constitution Avenue, N.W., Herbert Hoover Building, Room 4823, Washington, D.C. 20230, (Ph: 202-482-3953).
