#### **D & H Companies Odessa, TX; Notice of Termination of Certification**

This notice terminates the Certification Regarding Eligibility to Apply For Worker Adjustment Assistance issued by the Department on September 22, 1995 for workers of D & H Companies located in Odessa, Texas. The notice was published in the Federal Register on October 5, 1995 (60 FR 52213).

The Department, on its own motion, reviewed the certification for workers of D & H Companies. Findings show that the petitioner was the self-employed owner and the only worker of the subject firm. The petitioner does not meet the definition of adversely affected worker engaged in adversely affected employment within the meaning of Section 247 of the Trade Act of 1974.

Since there are no adversely affected workers of the subject firm, the continuation of the certification would serve no purpose and the certification has been terminated.

Signed at Washington, D.C., this 1st day of February 1996.
