Harris*, 490 F. Supp. 1334, 1338 (E.D. Wis. 1980). Because of these rulings, it is important that persons who are interested in this proposal participate by the close of the 60-day comment period so that the Forest Service has all substantive comments and objections available at a time when it can meaningfully consider them, and can respond to them in the Final EIS.

To assist the responsible official in identifying and considering issues about the proposed action, comments on the Draft EIS should be specific to the analysis area and the actions considered. It is helpful if comments reference specific chapters, sections and page numbers. Comments may address the adequacy of the analysis documented in the draft, or the merits of the alternatives formulated and discussed. Reviewers may wish to refer to the Council on Environmental Quality (CEQ) Regulations for implementing the procedural provisions of the National Environmental Policy Act (40 CFR 1503.3) in addressing these points. All comments made on a DEIS are regarded as public information.

Dated: November 25, 1996.

Forest Supervisor.

The limits set forth above are subject to adjustment in the future according to the provisions of the Uruguay Round Agreements Act, the ATC, and any administrative arrangements notified to the Textiles Monitoring Body.
