NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Public Meeting With Interested Vendors for Ordering Reproductions of Still Photographs, Aerial Film, Maps, and Drawings

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of meeting.

SUMMARY: NARA will hold a meeting to discuss the continued privatization of reproduction services for still pictures, aerial film, maps, and drawings. On March 6, 1995, NARA began to test new procedures for the delivery of reproduction services for records which NARA customers request from Still Picture Branch (NNSP), the Cartographic and Architectural Branch (NNSC), and the Nixon Presidential Materials Staff (NLNP). NARA permitted vendors to set up work stations in its building located in College Park, MD, where the still photographs and cartographic and architectural records are housed and made available. The three NARA units referred customer requests for reproduction of these media to the vendors, who determined fees, collected payments, performed the copying work, and mailed the reproductions to the customers. The purpose of this one-year trial program was to: (1) Verify the degree to which the privatization of the reproduction order fulfillments of NNSP, NNSC, and NLNP could improve customer service; and (2) ascertain the extent to which digital scanning can satisfy requirements from NARA's customers. At the end of the first year, based on a satisfactory review of the program's overall performance, NARA decided to extend the program for a second year, though with some modifications. Beginning March 6, 1997, the next anniversary date, NARA will open the program to interested vendors for a third year. All vendors interested in this program, including vendors already participating, are invited to attend the next scheduled meeting on January 21, 1997, where copies of a draft Memorandum of Agreement specifying the terms of the program will be distributed. A follow-up meeting has also been scheduled for February 13, 1997, to answer any remaining questions from vendors.

DATES: The next meeting will be held on Tuesday, January 21, 1997, at 10:00 a.m. The follow-up meeting will be held on Thursday, February 13, 1997, at 10:00 a.m.

ADDRESSES: The meetings will be held in Archives II, lecture rooms D and E,
