**Federal Property Suitable as Facilities To Assist the Homeless**

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:**

Mark Johnston, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1226; TDD number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

**SUPPLEMENTARY INFORMATION:**

In accordance with 24 CFR Part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus

Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless

assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR Part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the Federal Register, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: Air Force: Ms. Barbara Jenkins, Air Force Real Estate Agency, (Area-MI), Bolling Air Force Base, 112 Luke Avenue, Suite 104, Building 5683, Washington, DC 20332-8020; (202) 767-4184; GSA: Mr. Brian K. Polly, Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th and F Streets, NW, Washington, DC 20405; (202) 501-2059; Navy: Mr. John J. Kane, Deputy

## DEPARTMENT OF THE INTERIOR

### Fish and Wildlife Service

#### Notice of Intent To Prepare a Comprehensive Management Plan and Associated Environmental Document

**SUMMARY:** This notice advises the public that the U.S. Fish and Wildlife Service (Service) intends to gather information necessary to prepare a Comprehensive Management Plan (CMP) and an environmental document (environmental assessment or environmental impact statement) for Little Pend Oreille National Wildlife Refuge, Stevens County, Washington. The Service is furnishing this notice in compliance with service CMP policy and the National Environmental Policy Act (NEPA) and implementing regulations: (1) To advise other agencies and the public of our intentions, and (2) to obtain suggestions and information on the scope of issues to include in the environmental document.

**DATES:** Written comments should be received on or before January 13, 1997.

**ADDRESSES:** Address comments and requests for more information to: Refuge Manager, Little Pend Oreille National Wildlife Refuge, 1310 Bear Creek Road, Colville, Washington 99114.

**SUPPLEMENTARY INFORMATION:** The Service started the comprehensive management planning process for Little Pend Oreille National Wildlife Refuge (Little Pend Oreille NWR) in 1995. We held open houses at the Refuge headquarters in July and October 1995, and a public meeting in Colville, Washington in October 1995. We recorded issues and concerns expressed by people at these gatherings and have also received written comments. The Service informed people of the open houses and meeting through special mailings, newspaper articles, and radio announcements. Comments received to date will be considered in the development of the CMP and NEPA documentation.

It is U.S. Fish and Wildlife Service policy to have all lands within the National Wildlife Refuge System managed in accordance with an approved CMP. The CMP guides management decisions and identifies refuge goals, long-range objectives, and strategies for achieving refuge purposes. Public input into this planning process is encouraged. The CMP will provide other agencies and the public with a clear understanding of the desired conditions for the Refuge and how the Service will implement management strategies.

Established in 1939, the Service managed Little Pend Oreille NWR until 1965, when the Washington Department of Fish and Wildlife assumed management through a cooperative agreement. In 1994, the Service resumed management. We need a CMP because no formal, long-term management direction exists for managing Little Pend Oreille NWR. Until the CMP is completed, Refuge management will be guided by official Refuge purposes; Executive Order 8104; Federal legislation regarding management of national wildlife refuges; and other legal, regulatory and policy guidance.

Upon implementation, the CMP would apply only to Federal lands within the boundaries of Little Pend Oreille NWR. Issues to be addressed in the plan include grazing, pests including noxious weeds, degraded aquatic and riparian habitats, overstocked forest habitats, Air Force Survival School training, and public uses. The plan will include the following topics:
