Small Cities development grants and guaranteed loans to fund eligible development activities related to the New York canal system. The December 3, 1996 NOFA is part of the Canal Corridor Initiative, a multiyear effort designed to revitalize the economic base of communities in upstate New York through development projects and job creation along the canal system and connecting waterways.

The purpose of this notice is to extend the application deadline in the December 3, 1996 NOFA to March 4, 1997.

DATES: Applications are due on or prior to March 4, 1997. Applications, if mailed, must be postmarked by the United States Postal Service no later than midnight on March 4, 1997. The above-stated application deadline is firm as to date and hour. In the interest of fairness to all competing applicants, HUD will treat as *ineligible for consideration* and application that is not received by 4:00 p.m. on, or postmarked by, March 4, 1997.

Applicants should take this policy into account and make early submission of their materials to avoid any risk of loss of eligibility brought about by unanticipated delays or other delivery-related problems.

The above-described lands are hereby classified for disposal in accordance with Executive Order 6910 and the Act of June 28, 1934, as amended.

The land is being offered as a direct sale to the adjacent landowner, Battle Mountain Gold Corporation. The land will not be offered for sale until at least 60 days after the date of publication of this notice in the Federal Register.

SUPPLEMENTARY INFORMATION: The land has been identified as suitable for disposal by the Shoshone-Eureka Resource Management Plan. The land is not needed for any resource program and is not suitable for management by the Bureau or another Federal department or agency.

The land to be sold is difficult and uneconomical for the Bureau to manage. It consists of three parcels, two of which are totally surrounded by patented mining claims owned by the sale proponent. The third parcel is bordered on three sides by the proponent's patented claims, and on the fourth by unpatented mining claims held by the proponent.

The locatable, salable, and leasable mineral estates, with the exception of geothermal resources, have been determined to have no known value. Therefore, the mineral estate, excluding geothermal resources, will be conveyed

simultaneously with the surface estate in accordance with Section 209(b)(1) of Federal Land Policy and Management Act of 1976. Acceptance of the sale offer will constitute application for conveyance of the available mineral interests. The sale proponent will be required to submit a \$50.00 nonrefundable filing fee for conveyance of the mineral interests specified above with the purchase price for the land. Failure to submit the nonrefundable fee for the mineral estate within the time frame specified by the authorized officer will result in cancellation of the sale.

Upon publication of this Notice of Realty Action in the Federal Register, the lands will be segregated from all forms of appropriation under the public land laws, including the mining laws, but not the mineral leasing laws or disposals pursuant to Sections 203 and 209 of FLPMA. The segregation shall terminate upon issuance of a patent or other document of conveyance, upon publication in the Federal Register of a termination of segregation, or 270 days from date of this publication, which ever occurs first.

The patent, when issued, will contain the following reservations to the United States:

1. A right-of-way thereon for ditches and canals constructed by the authority of the United States, Act of August 30, 1890, (43 U.S.C. 945);

2. Geothermal resources;

And will be subject to all other valid existing rights.

For a period of 45 days from the date of publication in the Federal Register, interested parties may submit comments to the District Manager, Battle Mountain District, 50 Bastian Way, Box 1420, Battle Mountain, NV 89820.
