California Desert District; Availability of Draft Environmental Impact Statement (DEIS); U.S. Army's Land Acquisition Project for the National Training Center, Fort Irwin, California; Proposed Withdrawal of Public Lands and Proposed Amendment to the California Desert Conservation Area Plan

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of availability of draft environmental impact statement.

SUMMARY: Pursuant to Section 102(2)(c) of the National Environmental Policy Act of 1969, notice is hereby given that the Bureau of Land Management (BLM) Department of the Interior has prepared, by third party contractors to the U.S. Army Corps of Engineers, Los Angeles District, a Draft Environmental Impact Statement (DEIS) analyzing the impacts to the human environment of the U.S. Army's proposed expansion of the National Training Center (NTC) at Fort Irwin. The NTC is located approximately 35 miles northeast of Barstow in north-central San Bernardino County, California. The proposed action is (1) the withdrawal and transfer of jurisdiction to the U.S. Army of approximately 310,296 acres of public lands managed by the BLM, and (2) an amendment of the California Desert Conservation Area Plan. This DEIS analyzes environmental impacts of the proposed action, five alternatives and the no action alternative, and identifies mitigation measures. This DEIS was prepared to comply with the Council on Environmental Quality's regulations (40

CFR Parts 1500-1508) for implementing the National Environmental Policy Act of 1969, 43 U.S.C. 1701.

DATES: A ninety (90) day public review and comment period on the DEIS and proposed plan amendment begins on January 3, 1997. Written comments relating to the DEIS will be accepted until April 4, 1997. Written or oral comments may also be presented at the five public meetings to be held in February 1997 at the following locations and times:

San Bernardino, February 6, 1997, 7:00 p.m.—County Government Center, County Supervisors Hearing Room, 385 North Arrowhead Avenue, San Bernardino, CA 92415

Victorville, February 13, 1997, 7:00 p.m.—Victorville City Hall, City Council Chambers, 14343 Civic Drive, Victorville, CA 92392

Barstow, February 18, 1997, 7:00 p.m.—Barstow City Hall, City Council Chambers, 220 East Mountain View Avenue, Barstow, CA 92311

Sacramento, February 24, 1997, 2:00 p.m. & 7:00 p.m.—Sacramento City Hall, City Council Chambers, 915 "I" Street, Sacramento, CA 95814

The public meetings will be conducted in two parts. At each location, a one-half hour "open house" will precede the formal public hearing. During the open house, information about the proposed action and the environmental review process will be provided by the Army and BLM representatives. Comments on the DEIS will be recorded only during the public hearing part.

ADDRESSES: Send written comments to the BLM, Barstow Resource Area Office, Attention: Mike DeKeyrel, Project Manager, 150 Coolwater Lane, Barstow, CA 92311. Written comments relating to the DEIS will be accepted if postmarked no later than April 4, 1997.

SUPPLEMENTARY INFORMATION: The Army proposed action was developed from an Army Land Use Requirements Study (LURS) completed in 1985 and updated in 1993, which determined that an additional 222,000 net maneuverable acres are needed for the National Training Center's combat training mission.

The BLM has not selected a lead Federal agency preferred alternative in this DEIS. After public review and consideration of the comments to the DEIS, the BLM will select a preferred alternative in the Final EIS.

Under the Engle Act of February 28, 1958, 43 U.S.C. 155-158, military withdrawals of over 5,000 acres are

subject to Congressional review. This DEIS and the public review will enable the BLM and the Army to develop recommendations on the proposed action through completion of a Final EIS and Record(s) of Decision. The recommendations will be reviewed by the Secretary of the Interior in coordination with the Department of Defense.

Copies of an executive summary of the DEIS, and the entire DEIS document including technical appendices, are available for review at the BLM Barstow Resource Area Office at the above address; at the BLM California Desert District Office, 6221 Box Springs Blvd., Riverside, CA 92507; and at the BLM California State Office, 2135 Butano Drive, Sacramento, CA 95825.
