

FERC Gas Tariff, Second Revised Volume No. 2, a substitute tariff sheet, in accordance with the February 26, 1997 letter order in this proceeding.

In the February 26, 1997 letter order, the Commission accepted WIC's Substitute Original Sheet No. 84. However, Substitute Original Sheet No. 84 had been superseded by First Revised Sheet No. 84 which did not contain the right of first refusal language that was accepted in the February 26, 1997 order. Consequently, WIC was directed to file a revised tariff sheet paginated as Substitute First Revised Sheet No. 84 which contains the appropriate right of first refusal language.

WIC states that a copy of this filing was served upon all parties in this proceeding.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211). All such protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests filed with the Commission will be considered by it in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Acting Secretary.
