

Effective on June 15, 1997, textile products exported from Indonesia on and after March 1, 1997, shall be accompanied by a visa with the new stamped marking "Ministry of Industry and Trade," instead of the ones from the former "Ministry of Industry" and "Ministry of Trade." There will be a grace period from June 15, 1997 through July 14, 1997, during which the old or the new visas will be acceptable. The new visa stamp must accompany goods exported on and after July 15, 1997. If the merchandise is not accompanied by the appropriate visa, goods will be denied entry and a new visa must be obtained.

A facsimile of the new visa stamp is on file at the U.S. Department of Commerce, 14th and Constitution Avenue, NW., Washington, DC, room 3100.

See 52 FR 20134, published on May 29, 1987.

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

June 4, 1997.

Commissioner of Customs,
Department of the Treasury, Washington, DC
20229.

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on May 19, 1987, as amended, by the Chairman, Committee for the Implementation of Textile Agreements. That directive directed you to prohibit entry of certain textiles and textile products, produced or manufactured in Indonesia for which the Government of Indonesia has not issued an appropriate visa.

Beginning on March 1, 1997, the "Ministry of Industry" and the "Ministry of Trade" merged to form the "Ministry of Industry and Trade." On March 1, 1997, the Government of Indonesia started issuing visas with the new stamped marking "Ministry of Industry and Trade."

Effective on June 15, 1997, textile products exported from Indonesia on and after March 1, 1997, shall be accompanied by a visa with the new stamped marking "Ministry of Industry and Trade," instead of the ones from the former "Ministry of Industry" and "Ministry of Trade." There will be a grace period from June 15, 1997 through July 14, 1997, during which the old or the new visas will be acceptable. The new visa stamp must accompany goods exported on and after July 15, 1997.

A facsimile of the new visa stamp is enclosed with this letter.

Shipments entered or withdrawn from warehouse according to this directive which are not accompanied by an appropriate export visa shall be denied entry and a new visa must be obtained.

The Committee for the Implementation of Textile Agreements has determined that this action falls within the foreign affairs exception to the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.

ADDRESSES: Interested organizations may request application materials by contacting the appropriate Corporation State Office listed below.

FOR FURTHER INFORMATION CONTACT: For further information, contact John Keller at (206) 220-7737. This notice may be requested in an alternative format for the visually impaired.

SUPPLEMENTARY INFORMATION:

Background

The Corporation is a Federal government corporation that encourages Americans of all ages and backgrounds to engage in community-based service. This service addresses the nation's educational, public safety, environmental, and other human needs to achieve direct and demonstrable results. In supporting service programs, the Corporation fosters civic responsibility, strengthens the ties that bind us together as a people, and provides educational opportunity for those who make a substantial commitment to service.

The FGP is a service program authorized by the Domestic Volunteer Service Act of 1973, as amended. See 42 U.S.C. 5011 *et seq.* The program (1) provides opportunities for income eligible individuals 60 years of age and over to serve children and youth with special or exceptional needs on a person-to-person basis, (2) provides

communities with valuable service by empowering older adults to contribute to their communities through volunteer service, and (3) enhances the lives of the volunteers and those whom they serve.

The program began in 1965 as a national demonstration program designed to demonstrate how low-income persons age 60 and over have the maturity and experience to establish personal relationships with children who have either special or exceptional needs. Today, there are over 21,000 Foster Grandparents providing care and attention every day to more than 80,000 qualified children and youths. Foster Grandparents volunteer in schools, hospitals, drug treatment centers, correctional institutions, Head Start programs, and day care centers. They also provide emotional support to children who have been abused and neglected, mentor troubled teenagers and young mothers, and care for premature infants and children with physical disabilities or severe illnesses, including AIDS. By developing special relationships with children and youths, Foster Grandparents help young people develop self-esteem, gain confidence, and become more productive members of society. The purpose of the new FGP projects is to expand the program to serve geographic locations that are not currently being served by FGP projects.

Eligible Applicants

Public agencies (including state and local agencies and other units of government) and non-profit organizations in the United States are eligible to apply. The following Corporation grantees are encouraged to apply: organizations that operate an AmeriCorps*National program or an AmeriCorps*State program; Retired and Senior Volunteer Program project sponsors; Senior Companion Program project sponsors; AmeriCorps*VISTA projects sponsors; and organizations that directly receive a Learn and Serve America: School or Community-Based program grant or a Learn and Serve America: Higher Education program grant from the Corporation. FGP project sponsors that are funded by the Corporation are not eligible to receive a grant to expand into new geographic areas.

Under the Lobbying Disclosure Act of 1995, an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 (26 U.S.C. 501(c)(4)) which engages in lobbying activities is not eligible to apply for these funds.

Estimated Number of Awards

The Corporation anticipates making 20-25 awards.

Suggested Amount of Awards

The average amount of awards will be approximately \$210,000.

Period of Awards

Grants will be awarded for a period of twelve months and may be renewed contingent upon performance and the availability of appropriations.

Selection Criteria

The Corporation will initially determine whether the organization is eligible and whether the application contains the information required in the application materials. After this initial screening, the Corporation will assess applications based on the following criteria:

1. The capacity of the applicant to effectively implement the Foster Grandparent Program according to law, regulations, and current Corporation policy and procedures.
 2. The cost-effectiveness of the proposal and the sponsor's ability to leverage significant additional resources from non-federal sources to support and sustain the project.
 3. The geographic location of the proposed project—to ensure that projects (1) Are in approved geographic service areas that do not currently have an FGP projects and (2) include a mix of urban and rural locations. Applicants may call the appropriate Corporation State Office to ascertain the geographic areas for which new projects are sought.
- It is expected that applicants will develop a broad range of volunteer assignments for the Foster Grandparents. However, priority will be given to applicants that emphasize assignments that focus on helping children to improve their pre-literacy, literacy, or reading skills, or a combination of those skills.

Applicable Regulations

Regulations governing the Foster Grandparent Program are located in 45 CFR Part 1208.

Program Authority

Corporation authority to make these grants is codified in 42 U.S.C. 5011 *et seq.*

Dated: June 4, 1997.

Barry W. Stevens,

Acting General Counsel.
