

and are not effected for speculative purposes on a margin basis which should be available only for bona fide market-making activity.

The proposed definition by NASD Regulation of "in- or at-the-money," for purposes of permitted offset transactions, represents a codification of a long standing practice of permitting the financing of options market-makers underlying stock positions on a good faith basis when offset on a share-for-share basis by options which are "in- or at-the-money," i.e., where the current market price of the underlying security is not more than two standard exercise price intervals below (with respect to a call option) or above (with respect to a put option) the exercise price of the option.¹⁶ At this time, the Commission believes that it is reasonable for the NASD Regulation to adopt the codification of a longstanding industry practice.

The Commission finds good cause for approving Amendment No. 1 prior to the thirtieth day after the date of publication of notice of filing thereof. Amendment No. 1 addresses technical changes by correcting certain typographical errors appearing in the rule filing and also clarifies that the availability of good faith margin for options market-makers and specialists permitted offsets is limited to only bona fide market-making transactions. Based on the above, the Commission finds that there exists good cause consistent with Section 15A(b) of the Act, to accelerate approval of the amendment.

IV Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning Amendment No. 1. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the

public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of all such filing will also be available for inspection and copying at the principal office of the NASD Regulation. All submissions should refer to the file number SR-NASD-97-14 and should be submitted by July 7, 1997.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁷ that the proposed rule change (SR-NASD-97-14) is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁸
