### 3.5" Microdisks and Coated Media Thereof From Japan; Termination of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of termination of antidumping duty administrative review.

**SUMMARY:** On May 24, 1996 (61 FR 26158), in response to a request from Fuji Photo Film Co., Ltd., Tokyo, Japan, and Fuji Photo Film U.S.A., Inc., collectively referred to as Fuji, and the respondents in the above-mentioned case, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on 3.5" microdisks and coated media thereof from Japan. In accordance with 19 CFR 353.22(a)(5) of our regulations, the Department is now terminating this review because Fuji has withdrawn its request for review.

**EFFECTIVE DATE:** January 24, 1997.

**FOR FURTHER INFORMATION CONTACT:** Dana Mermelstein or Russell Morris, Office of CVD/AD Enforcement VI, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-2786.

#### SUPPLEMENTARY INFORMATION:

##### Background

On April 29, 1996, the Department received a request for an administrative review of this antidumping duty order from Fuji for the period April 1, 1995, through March 31, 1996. No other interested party requested a review of the antidumping duty order. On May 24, 1996, the Department published in the Federal Register (61 FR 26158) a notice of "Initiation of Antidumping Duty Administrative Review" initiating the administrative review of Fuji for that period. On January 9, 1997, Fuji withdrew its request for review.

Section 353.22(a)(5) of the Department's regulations stipulates that the Secretary may permit a party that requests a review to withdraw the request not later than 90-days after the date of publication of notice of initiation of the requested review. This regulation also provides that the Secretary may extend the time limit for withdrawal of a request if it is reasonable to do so. Because no significant work has been completed on this review, the aforementioned request for withdrawal does not unduly burden the Department. Therefore, under the circumstances presented in this review, we are waiving the 90-day requirement in § 353.22(a)(5). Accordingly, we are terminating this review.

This notice is published in accordance with 19 CFR 353.22(a)(5).

Dated: January 17, 1997.

*Principal Deputy Assistant Secretary, for Import Administration.*

### Furfuryl Alcohol From the Republic of South Africa: Extension of Time Limit of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) is extending the time limit for the preliminary results in the administrative review of the antidumping duty order on furfuryl alcohol from the Republic of South Africa (RSA), covering the period December 16, 1994, through May 31, 1996, since it is not practicable to complete the review within the time limits mandated by the Tariff Act of 1930 (the Act), as amended, 19 U.S.C. 1675(a)(3)(A).

**EFFECTIVE DATE:** January 24, 1997.

**FOR FURTHER INFORMATION CONTACT:** Scott Oudkirk or William Crow, Office of AD/CVD Enforcement II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482-2336 or 482-0116, respectively.

**APPLICABLE STATUTE AND REGULATIONS:** Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made

to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the current regulations, as amended by the interim regulations published in the Federal Register on May 11, 1995 (60 FR 25130).

#### SUPPLEMENTARY INFORMATION:

##### Background

On August 8, 1996, the Department initiated an administrative review of the antidumping duty order on furfuryl alcohol from the RSA, covering the period December 16, 1994, through May 31, 1996 (61 FR 41374). In our notice of initiation, we stated that we intended to issue the final results of this review no later than June 30, 1997.

##### Postponement of Preliminary Results of Review

Section 751(a)(3)(A) of the Act requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to issue the preliminary results in 245 days, section 751(a)(3)(A) allows the Department to extend this time period to 365 days.

We determine that it is not practicable to issue the preliminary results within

245 days because there are complex legal and methodological issues to address, such as duty reimbursement and fictitious market allegations, in this first review of this antidumping duty order under the new law.

Accordingly, the deadline for issuing the preliminary results of this review is now no later than June 30, 1997. The deadline for issuing the final results of this review will be 120 days from the publication of the preliminary results.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: January 14, 1997.

*Deputy Assistant Secretary, Import Administration*

Since it is not practicable to complete this review within the time limits mandated by the Act (245 days from the last day of the anniversary month for preliminary results, 120 additional days for final results), in accordance with section 751(a)(3)(A) of the Trade and Tariff Act of 1930, as amended, the Department is extending the time limit as follows:
