[Docket Nos. FR-4191-C-03; FR-4212-C-06]

**Federally Assisted Low-Income Housing Drug Elimination Grants and Safe Neighborhood Grants; Notice of Funding Availability—FY 1997**

**AGENCY:** Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

**ACTION:** Notices of Funding Availability (NOFA) for Fiscal Year (FY) 1997; Additional Correction to List of Field Offices.

**SUMMARY:** On May 23, 1997, HUD published the FY 1997 NOFA for Federally Assisted Low-Income Housing Drug Elimination Grants and the FY 1997 NOFA for Safe Neighborhood Grants. A list of HUD field offices, with addresses and phone numbers, was attached to each of these NOFAs. However, HUD inadvertently omitted certain field offices from the list. Therefore, on June 13, 1997, HUD published a notice providing the complete list of HUD field offices with their addresses and phone numbers. The list published on June 13, 1997 provided an incorrect address for the Las Vegas office. This notice announces the correct address for that office.

**DATES:** This notice does not change the application submission deadlines provided in each of the May 23, 1997 NOFAs. Applications for grants under the Federally Assisted Low-Income Housing Drug Elimination program must still be received at the local HUD field office on or before July 22, 1997 at 4 p.m. local time. Applications for Safe Neighborhoods Grants must still be received at the local HUD field office on or before August 21, 1997 at 3 p.m. local time.

**ADDRESSES:** This notice does not change the application submission information provided in each of the May 23, 1997 NOFAs. Applications may still be obtained from the HUD field office having jurisdiction over the location of the applicant project, and from the Multifamily Housing Clearinghouse by calling 1-800-685-8470. Applications (original and two copies) must still be received by the deadline at the appropriate HUD field office with jurisdiction over the applicant project. Attention: Director of Multifamily Housing.

**FOR FURTHER INFORMATION CONTACT:** For application materials and project-specific guidance, please contact the Office of the Director of Multifamily

Housing in the HUD field office having jurisdiction over the project(s) in question.

*For the Federally Assisted Low-Income Housing Drug Elimination Grants program:* Policy questions of a general nature may be referred to Michael Diggs, Office of Multifamily Housing Asset Management, Department of Housing and Urban Development, Room 6182, 451 Seventh Street, SW, Washington, DC 20410; telephone (202) 708-0558. (This is not a toll-free number.) Persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at (800) 877-8339.

*For Safe Neighborhood Grants:* For program, policy, and other guidance, contact Henry Colonna, Department of Housing and Urban Development, Virginia State Office, 3600 West Broad Street, Richmond, VA 23230-4920, telephone (804) 278-4505, extension 3027 (or (804) 278-4501 TTY).

**SUPPLEMENTARY INFORMATION:** On May 23, 1997, HUD published the fiscal year (FY) 1997 notice of funding availability (NOFA) for the Federally Assisted Low-Income Housing Drug Elimination Grants program (62 FR 28564). On the same day, HUD also published the FY 1997 NOFA for Safe Neighborhood Grants (62 FR 28586). A list of HUD field offices, with addresses and phone numbers, was attached as Appendix A to each of these NOFAs (62 FR 28572, 28597). The list provides information to applicants about where to request and submit applications, and where to go for further information. The list published on May 23, 1997 for both NOFAs, however, inadvertently did not include all of the appropriate HUD field offices. Therefore, HUD published a notice on June 13, 1997 (62 FR 32408) in an attempt to provide a full list of field offices for purposes of the FY 1997 NOFA for Federally Assisted Low-Income Housing Drug Elimination Grants and the FY 1997 NOFA for Safe Neighborhood Grants. However, the list published on June 13, 1997 provided an incorrect address for the Las Vegas office. Accordingly, this notice announces the correct address for that office, which is as follows:

### Minerals Management Service

#### Modifications to the Bid Adequacy Procedures

**AGENCY:** Minerals Management Service (MMS), Interior.

**ACTION:** Notification of procedural changes.

**SUMMARY:** The Minerals Management Service (MMS) has modified its existing bid adequacy procedures for ensuring receipt of fair market value on Outer Continental Shelf (OCS) oil and gas leases. In Phase 1 these procedures establish a new number of bids rule for acceptance of selected tracts. In Phase 2 these procedures expand the scope of tract evaluation; replace the geometric average evaluation of tract with a revised arithmetic average measure of the tract; eliminate the one-eighth rule for anomalous bids; and clarify the treatment of tracts identified as having unusual bidding patterns.

These changes were made following a review of bidding activity in OCS sales. The new number of bids rule relies more on market-determined factors to ensure receipt of fair market value. This new rule, along with expansion of evaluation procedures beyond only tract specific assessments, will allow for earlier acceptance on tracts that would be accepted later in the evaluation process. The revised average measure is designed to generate a better estimate of tract value when all bids fall below the Government's original estimate of tract value. The stricter screening rules associated with the revised average measure eliminate the need for the one-eighth rule. The Regional Director's expanded authority to handle
