Sea Robin Pipeline Company; Notice of Proposed Changes to FERC Gas Tariff

July 17, 1997.

Take notice that on July 10, 1997, Sea Robin Pipeline Company (Sea Robin) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, (Tariff) the following revised Tariff sheet in compliance with the Commission's Order No. 587-C and the Commission's June 27, 1997, Order in this docket, to become effective August 1, 1997.

Second Substitute Second Revised Sheet No. 95

On July 17, 1996, the Commission issued Order No. 587 in Docket No. RM96-1-000 which revised the Commission's Regulations governing interstate natural gas pipelines to require such pipelines to follow certain standardized business practices issued by the Gas Industry Standards Board (GISB) and adopted by the Commission in said Order, 18 CFR 284.10(b). On March 4, 1997, the Commission issued Order No. 587-C to implement additional GISB Standards, including Standard 4.3.6 containing a requirement that all pipelines establish an Internet Web page by August 1, 1997. On June 27, 1997, the Commission issued an order accepting Sea Robin's filing subject to certain conditions. The June order required Sea Robin to submit a compliance filing to show that Sea Robin would comply with Standard 4.3.6 effective August 1, 1997. In conjunction with the compliance filing, Sea Robin requests a waiver of the June 27 Order and the Commission's Regulations to file the tariff sheet in less than 30 days prior to the effective date. Sea Robin states that such waiver is appropriate because it is consistent with Sea Robin's April 30 tariff filing, and the timeline established in Order No. 587-C.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission,

Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedures (18 CFR Sections 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
