The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

FOR FURTHER INFORMATION CONTACT:

Final approval under OMB delegated authority of the extension for three years, with revision, of the following reports:

1. *Report title:* Commercial Bank Report of Consumer Credit
Agency form number: FR 2571
OMB Control number: 7100-0080
Effective Date: Reporting month ending September 30, 1997
Frequency: Monthly
Reporters: Commercial banks
Annual reporting hours: 2,475
Estimated average hours per response: 0.55

Abstract: The FR 2571 collects information on consumer credit outstanding, by type of credit (automobile loans, revolving credit, and all other consumer credit), as of the last business day of the month, as well as three items on outstanding balances underlying securitized loan sales. The information, together with information obtained from other Federal Reserve reports and from secondary sources, is used to construct information on consumer credit for current analysis for monetary policy purposes. The following initially proposed revisions were approved:

1. reduce the authorized panel size from 400 to 375 commercial banks;
2. redefine loans to purchase automobiles (item 1 and Securitized Consumer Loans item 1.a) to include loans to purchase light trucks for personal use;
3. eliminate the two annual items, Total noninstallment credit (item 5) and Total (item 6);
4. eliminate the distinction between installment and noninstallment debt. (Items 1, 3, and 4 and Securitized Consumer Loans item 1.c were redefined to include both installment and noninstallment credit).

In addition, the FR 2571 was revised to reflect a recent change to the Reports of Income and Condition (FFIEC 031-032; OMB No. 7100-0036; Call Reports), Schedule RC-L, memorandum item 5. In order to maintain the definitional relationship between the Call Report and FR 2571, the Federal Reserve revised FR 2571, Securitized Consumer Loans items 1.a through 1.c, to include all loans that have been securitized and sold, whether sold with or without recourse; previously, only loans securitized and sold without recourse were reported in these FR 2571 items.

2. *Report titles:* Quarterly Report of Interest Rates on Selected Direct
