DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration on Aging

Agency Recordkeeping/Reporting Requirements Under Emergency Review by the Office of Management and Budget (OMB)

The Department of Health and Human Services has submitted the following (see below) emergency processing public information clearance request (ICR) to the Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35).

Title: Performance (Progress) Report for Title IV Training, Research, and Discretionary Projects and Programs Grantees.

OMB Number: Existing collection in use without an OMB Control Number.

Instrument	Number of grantees/re-spondents	Number of responses per year	Average burden hours per respondent	Total burden hours
Performance (Progress) Report for Title IV Grantees	75	2	16	2400

Description: The Administration on Aging (AoA) requires grantees funded under Title IV of the Older Americans Act, Pub. L. 89-73, enacted July 14, 1965, last amended on September 30, 1992, Pub. L. 102-375, (42 U.S.C. 3034), to report semiannually on the performance of their projects. The specifications for reporting are consistent with 45 CFR part 74, subpart J. This information serves to supplement the financial report, submitted on standard form OMB 269.

Description: The information submitted by grantees will be used by AoA to:

- (1) Review and monitor grantees' progress in achieving project objectives;
- (2) Identify significant findings, products and practices of projects; and
- (3) Identify areas that may benefit from advice and assistance from AoA, and in rare instances, take corrective action.

The performance report for Title IV grants is submitted semiannually, concurrent with the financial report, filed on standard form OMB 269. If these reports were made less frequently, opportunities for AoA to monitor and provide needed guidance would not be available to grantees.

Additional Information: The AoA is requesting that OMB grant a 180-day approval for this information collection under procedures for emergency processing by August 29, 1997. A copy of this individual ICR, with applicable supporting documentation, may be obtained by calling the Administration on Aging, Reports Clearance Officer, Sharon Matthews at (202) 205-2814.

Comments and questions about the ICR should be directed to the Office of Information and Regulatory Affairs, Attn: Allison Eydt, OMB Desk Officer, Office of Management and Budget, Washington, DC 20503.

Dated: August 22, 1997.

William F. Benson,

Acting Principal Deputy Assistant Secretary for Aging.
