

Corporation (Columbia Gas) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following revised tariff sheets bearing a proposed effective date of November 1, 1997:

Title Page  
Fourth Revised Sheet No. 25A  
Fourth Revised Sheet No. 30.1  
Sixth Revised Sheet No. 30B  
Fifth Revised Sheet No. 31A  
Second Revised Sheet No. 44A  
Seventh Revised Sheet No. 262

Columbia states that it is making the instant filing to revise the Title Page to its FERC Gas Tariff, Second Revised Volume No. 1 to reflect Columbia's new business address and telephone and fax numbers. By this filing, Columbia states that it is also canceling and reserving for future use certain sheets referenced as the "Collection Rates," filed pursuant to the Commission's order issued January 29, 1997 (78 FERC ¶ 61,071) in the settlement in Columbia's Docket No. RP95-408, et al. These tariff sheets are being canceled, for administrative reasons, since they are no longer applicable due to the Commission's April 17, 1997 order approving the settlement in Docket No. RP95-408, et al. (79 FERC ¶ 61,044), and by its August 19, 1997 Letter Order accepting the Refund Report, applicable to Docket No. RP95-408, et al., filed by Columbia on June 30, 1997.

Finally, Sixth Revised Sheet No. 262 lists the General Terms and Conditions (GTC) Section 47 which was inadvertently included from the electronic Pro Forma tariff sheet files of Columbia's August 30, 1996 letter to the Federal Energy Regulatory Commission (Commission) in Docket No. RP96-355. Those tariff sheets (as Pro Forma sheets) were not filed to be placed into effect, and the reference to Section 47 should, therefore, be removed from Columbia's currently effective tariff.

Columbia states that copies of its filing have been mailed to all firm customers, interruptible customers, affected state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Regulations. All such interventions or protests must be filed as provided in Section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to

intervene. A copy of this filing is on file with the Commission and is available for public inspection in the Public Reference Room.

Take notice that on September 12, 1997, East Tennessee Natural Gas Company (East Tennessee) tendered for filing and acceptance the following: (1) A Gas Transportation Agreement between East Tennessee and Johns Manville International, Inc. Revised Volume No. 1, to become effective on November 1, 1997.

East Tennessee states that on August 15, 1997, Johns Manville and East Tennessee entered into the Manville Agreement for service to commence on November 1, 1997. East Tennessee states that because the Manville Agreement contains provisions which may deviate in a material aspect from the Pro Forma FT-A Agreement, pursuant to Section 154.1(d) of the Commission's regulations, East Tennessee is filing the Agreement with the Commission and requesting that the Commission accept and permit it to become effective November 1, 1997. East Tennessee also states that, pursuant to Section 154.112(b) of the Commission's regulations, the tendered tariff sheets have been amended to include a reference to the Johns Manville Agreement.
