#### International Trade Administration

##### Export Trade Certificate of Review

**AGENCY:** International Trade Administration, Commerce.

**ACTION:** Notice of initiation of process to revoke export trade certificate of review No. 85-00004.

**SUMMARY:** The Secretary of Commerce issued an export trade certificate of review to Trust International Services Company, Inc. Because this certificate holder has failed to file an annual report as required by law, the Department is initiating proceedings to revoke the certificate. This notice summarizes the notification letter sent Trust International Services Company, Inc.

**FOR FURTHER INFORMATION CONTACT:** W. Dawn Busby, Director, Office of Export Trading Company Affairs, International Trade Administration, (202) 482-5131. This is not a toll-free number.

**SUPPLEMENTARY INFORMATION:** Title III of the Export Trading Company Act of 1982 ("the Act") (15 U.S.C. 4011-21) authorizes the Secretary of Commerce to issue export trade certificates of review. The regulations implementing Title III ("the Regulations") are found at 15 CFR

part 325. Pursuant to this authority, a certificate of review was issued on May 9, 1985 to Trust International Services Company, Inc.

A certificate holder is required by law (Section 308 of the Act, 15 U.S.C. 4018) to submit to the Department of Commerce annual reports that update financial and other information relating to business activities covered by its certificate. The annual report is due within 45 days after the anniversary date of the issuance of the certificate of review (Sections 325.14 (a) and (b) of the Regulations). Failure to submit a complete annual report may be the basis for revocation. (Sections 325.10(a) and 325.14(c) of the Regulations).

The Department of Commerce sent to Trust International Services Company, Inc. on April 15, 1996, a letter containing annual report questions with a reminder that its annual report was due on June 23, 1996. Additional reminders were sent on October 28, 1996, and on January 3, 1997. The Department has received no written response to any of these letters.

On February 4, 1997, and in accordance with Section 325.10 (c)(1) of the Regulations, a letter was sent by certified mail to notify Trust International Services Company, Inc. that the Department was formally initiating the process to revoke its certificate. The letter stated that this action is being taken because of the certificate holder's failure to file an annual report.

In accordance with Section 325.10(c)(2) of the Regulations, each certificate holder has thirty days from the day after its receipt of the notification letter in which to respond. The certificate holder is deemed to have received this letter as of the date on which this notice is published in the Federal Register. For good cause shown, the Department of Commerce can, at its discretion, grant a thirty-day extension for a response.

If the certificate holder decides to respond, it must specifically address the Department's statement in the notification letter that it has failed to file an annual report. It should state in detail why the facts, conduct, or circumstances described in the notification letter are not true, or if they are, why they do not warrant revoking the certificate. If the certificate holder does not respond within the specified period, it will be considered an admission of the statements contained in the notification letter (Section 325.10(c)(2) of the Regulations).

If the answer demonstrates that the material facts are in dispute, the Department of Commerce and the

Department of Justice shall, upon request, meet informally with the certificate holder. Either Department may require the certificate holder to provide the documents or information that are necessary to support its contentions (Section 325.10(c)(3) of the Regulations).

The Department shall publish a notice in the Federal Register of the revocation or modification or a decision not to revoke or modify (Section 325.10(c)(4) of the Regulations). If there is a determination to revoke a certificate, any person aggrieved by such final decision may appeal to an appropriate U.S. district court within 30 days from the date on which the Department's final determination is published in the Federal Register (Sections 325.10(c)(4) and 325.11 of the Regulations).

Dated: February 4, 1997.

#### CONSUMER PRODUCT SAFETY COMMISSION

##### Proposed Collection; Comment Request; Clothing Textiles, Vinyl Plastic Film

**AGENCY:** Consumer Product Safety Commission.

**ACTION:** Notice.

**SUMMARY:** As required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Consumer Product Safety Commission requests comments on a proposed extension of approval of a collection of information from manufacturers and importers of clothing, and textiles and related materials intended for use in clothing. This collection of information is in regulations implementing the Standard for the Flammability of Clothing Textiles (16 CFR Part 1610) and the Standard for the Flammability of Vinyl Plastic Film (16 CFR Part 1611). These regulations establish requirements for testing and recordkeeping for manufacturers and importers who furnish guarantees for products subject to the flammability standards for clothing textiles and vinyl plastic film. The Commission will consider all comments received in response to this notice before requesting an extension of approval of this collection of information from the Office of Management and Budget.

**DATES:** Written comments must be received by the Office of the Secretary not later than April 11, 1997.

**ADDRESSES:** Written comments should be captioned "Clothing Textiles and Film, Collection of Information" and mailed to the Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207, or delivered to that office, room 502, 4330 East West Highway, Bethesda, Maryland.

**FOR FURTHER INFORMATION CONTACT:** For information about the proposed extension of the collection of information, or to obtain a copy of 16 CFR Parts 1610 and 1611, call or write Robert E. Frye, Director, Office of Planning and Evaluation, Consumer Product Safety Commission, Washington, DC 20207; telephone (301) 504-0416, extension 2264.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

Clothing and fabrics intended for use in clothing (except children's sleepwear in sizes 0 through 14) are subject to the Standard for the Flammability of Clothing Textiles (16 CFR Part 1610). Clothing made from vinyl plastic film and vinyl plastic film intended for use in clothing (except children's sleepwear in sizes 0 through 14) are subject to the Standard for the Flammability of Vinyl Plastic Film (16 CFR Part 1611). These standards prescribe a test to assure that articles of wearing apparel, and fabrics and film intended for use in wearing apparel, are not dangerously flammable because of rapid and intense burning. (Children's sleepwear and fabrics and related materials intended for use in children's sleepwear in sizes 0 through 14 are subject to other, more stringent flammability standards, codified at 16 CFR Parts 1615 and 1616.) The flammability standards for clothing textiles and vinyl plastic film were made mandatory by the Flammable Fabrics Act of 1953 (FFA) (Pub. L. 83-88, 67 Stat. 111; June 30, 1953).

Section 8 of the FFA (15 U.S.C. 1197) provides that a person who receives a guaranty in good faith that a product complies with an applicable flammability standard is not subject to criminal prosecution for a violation of the FFA resulting from the sale of any product covered by the guaranty. Section 8 of the FFA requires that a guaranty must be based on "reasonable and representative tests." The Commission estimates that about 1,000 manufacturers and importers of clothing, and of textiles and vinyl film intended for use in clothing, issue guaranties that the products they

produce or import comply with the applicable standard.

**B. Testing and Recordkeeping**

Regulations implementing the flammability standards for clothing textiles and vinyl plastic film prescribe requirements for testing and recordkeeping by firms that issue guaranties. See 16 CFR Part 1610, Subpart B, and 16 CFR Part 1611, Subpart B.

The Commission uses the information compiled and maintained by firms that issue these guaranties to help protect the public from risks of injury or death associated with clothing and fabrics and vinyl film intended for use in clothing. More specifically, the information helps the Commission arrange corrective actions if any products covered by a guaranty fail to comply with the applicable standard in a manner that creates a substantial risk of injury or death to the public. The Commission also uses this information to determine whether the requisite testing was performed to support the guaranties.

The Office of Management and Budget (OMB) approved the collection of information in the enforcement regulations implementing the standards for clothing textiles and vinyl plastic film under control number 3041-0024. OMB's most recent extension of approval will expire on May 31, 1997. The Commission proposes to request an extension of approval without change for the collection of information in those regulations.

**C. Estimated Burden**

The Commission staff estimates that about 1,000 firms which manufacture or import products subject to the flammability standards for clothing textiles and vinyl plastic film issue guaranties that the products they produce or import comply with the applicable standard. The Commission staff estimates that these standards and implementing regulations will impose an average annual burden of about 101.6 hours on each of those firms. That burden will result from conducting the testing and maintaining records required by the implementing regulations. The total annual burden imposed by the standards and regulations on all manufacturers and importers of clothing textiles and vinyl plastic film will be about 101,600 hours.

The hourly wage for the testing and recordkeeping required by the standards and regulations is about \$12, for an estimated annual cost to the industry of \$1,219,200.

The Commission will expend approximately one-half month of

professional staff time reviewing and evaluating the records maintained by manufacturers and importers of wearing apparel, clothing textiles and vinyl film subject to the standards. The annual cost to the Federal government of the collection of information in the sleepwear standards and implementing regulations is estimated to be \$2,800.

**D. Request for Comments**

The Commission solicits written comments from all interested persons about the proposed extension of approval of the collection of information in the flammability standards for clothing textiles and vinyl film and the enforcement regulations implementing those standards. The Commission specifically solicits information about the hourly burden and monetary costs imposed by the collection of information on firms subject to this collection of information. The Commission also seeks information relevant to the following topics:

- Whether the collection of information is necessary for the proper performance of the Commission's functions;
- Whether the information will have practical utility for the Commission;
- Whether the quality, utility, and clarity of the information to be collected could be enhanced; and
- Whether the burden imposed by the collection of information could be minimized by use of automated, electronic or other technological collection techniques, or other form of information technology.

Dated: February 5, 1997.
