DEPARTMENT OF DEFENSE

Office of the Secretary

Continued Health Care Benefit Program (CHCBP) Premium Rate Change

AGENCY: Office of the Secretary, DOD.

ACTION: Notice.

SUMMARY: Premium rates for the Department of Defense's temporary, transitional health care coverage offered via the Continued Health Care Benefit Program (CHCBP) were initially established in the Fall of 1994. Rates have not been adjusted since then. A revision to the rates is necessary in order for the rates to keep pace with the increase in expenses incurred in operating the program. Publication of the new rates will allow the Department to change the premium and will also provide interested beneficiaries with the cost information necessary to make informed enrollment decisions. Therefore, effective May 1, 1997, CHCBP quarterly premiums will be increased to the following levels: Individual—\$993; Family—\$1,996. CHCBP premiums will continue to be reviewed annually by the Office of the Assistant Secretary of Defense and announcement of any further revisions will be published accordingly.

FOR FURTHER INFORMATION CONTACT: Mr. Gunther J. Zimmerman, Office of the Assistant Secretary of Defense (Health Affairs), (703) 695-3331.

ADDRESSES: TRICARE Support Office (TSO)/Office of the Civilian Health and Medical Program of the Uniformed Services (OCHAMPUS), Program Development Branch; Aurora, Colorado 80045-6900.

SUPPLEMENTARY INFORMATION: On September 30, 1994, a final rule regarding benefits and operational issued associated with implementation of the Continued Health Care Benefit Program was published (59 FR 49817).

The CHCBP was established by Congress in section 4408 of the National Defense Authorization Act for Fiscal Year 1993, Public Law 102-484, which amended title 10, United States Code, by adding section 1078a. The law directed the implementation of a program of temporary continued health benefits coverage for certain former beneficiaries of the Department of Defense, comparable to the health benefits provided for former civilian employees of the Federal government.

The statute directed that the benefits offered by the CHCBP be comparable to those offered to "similarly situated" former civilian employees of the Federal
