#### Cone Mills Corporation; Haynes Plant, Henrietta, North Carolina and Cliffside Plant, Cliffside, North Carolina; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on June 17, 1997, applicable to workers of Cone Mills Corporation, Haynes Florence Plant located in Henrietta, North Carolina. The notice was published in the **Federal Register** on July 18, 1997 (62 FR 38579). The worker certification was subsequently amended to correctly identify the plant to read Haynes Plant instead of Haynes Florence Plant and to include workers of the Florence Plant in Forest City, North Carolina (TA-W-33,477A). The notice of amended certification was published in the **Federal Register** on July 18, 1997 (62 FR 38584).

At the request of petitioners, the Department reviewed the certification for workers of the subject firm. The workers produce denim. Findings on review show that workers separations have occurred at the subject firm's Cliffside Plant, in Cliffside, North Carolina.

The intent of the Department's certification is to include all workers of Cone Mills Corporation who were affected by increased imports. Accordingly, the Department is amending the worker certification to include the workers of the Cliffside Plant of Cone Mills Corporation, Cliffside, North Carolina.

The amended notice applicable to TA-W-33,477 is hereby issued as follows:

"All workers of Cone Mills Corporation, Haynes Plant, Henrietta, North Carolina (TA-W-33,477) and Cliffside Plant, Cliffside, North Carolina (TA-W-33,477B), who became totally or partially separated from employment on or after April 8, 1996 through June 17, 1999, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 31st day of October 1997.

[TA-W-33, 404]

Devoe & Raynolds Company,  
Louisville, Kentucky; Notice of  
Negative Determination on  
Reconsideration

On July 18, 1997, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of the subject firm. The petitioner presented new evidence regarding company imports of paint. The notice was published in the **Federal Register** on August 1, 1997 (62 FR 41424).

The Department initially denied TAA to workers of Devoe & Raynolds Company, Louisville, Kentucky because the "contributed importantly" group eligibility requirement of Section 222(3) of the Trade Act of 1974, as amended, was not met. The workers at the subject firm produced latex and alkyd paints. The layoffs at the Louisville plant were attributed to the corporate decision to consolidate operations with that of the parent company's domestic plants in Texas, Ohio, Pennsylvania, and Florida. The parent company did not import paint from foreign sources.

New findings on reconsideration show that the parent company of Devoe & Raynolds, ICI Paints, operating in the

U.S. as Glidden, had a corporate-wide sales increase from 1995 to 1996. Other new findings reveal that the company did import paint from its foreign production facility. Company imports, however, were negligible, accounting for less than 1 percent of corporate-wide sales in 1995 and 1996.

## Conclusion

After reconsideration, I affirm the original notice of negative determination of eligibility to apply for worker adjustment assistance for workers and former workers of Devoe & Raynolds Company, Louisville, Kentucky.

Signed at Washington, DC, this 31st day of October 1997.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.
