#### Draft Alternative Design Scenarios; Air Force Memorial

**ACTION:** Announcement of a public open house to present draft alternative design scenarios for the development of the 25 acres of park land containing the site of the proposed United States Air Force memorial within the boundary of the George Washington Memorial Parkway in further compliance with the National Environmental Policy Act of 1969.

**SUMMARY:** Pursuant to Council on Environmental Quality regulations and National Park Service policy, the National Park Service (NPS) announces the presentation for public review, draft alternative design scenarios for the further development of the 25 acres of park land within the George Washington Parkway, in Arlington, Virginia, on North Meade Street, which contains the site of the proposed United States Air Force Memorial and the Iwo Jima Memorial and the Netherlands Carillon. Public comment on the draft design scenarios is requested to assist the National Park Service to identify and analyze such environmental issues as traffic, pedestrian and vehicular circulation, parking, access from the Rosslyn Metro station, landscaping, and protection of the vistas of and between the existing memorials. This is to ensure that the erection of the proposed Air Force Memorial will not detract from the other memorials, diminish other park resources, or intrude on the community.

A public open house to review and comment upon the draft alternative design scenarios will be held December 17, 1997 in the auditorium of the Arlington County Central Library, 1015 North Quincy Street, Arlington, Virginia between 7:00 p.m. and 9:30 p.m. Officials of the National Park Service and representatives of the Air Force Memorial Foundation will be in attendance to describe the draft

alternative design scenarios, answer questions and receive comments.

The Air Force Memorial Foundation was authorized to establish a memorial on Federal land in the District of Columbia or its environs to honor the men and women who have served in the United States Air Force and its predecessors. The memorial was authorized on December 2, 1993 by enactment of Public Law 103-163 and is being developed pursuant to the Commemorative Works Act, 40 U.S.C. Sec. 1001 *et seq.* This site was approved by the National Capital Memorial Commission on March 24, 1994, the National Park Service on July 8, 1994, the Commission of Fine Arts (CFA) on September 14, 1994, and the National Capital Planning Commission (NCPC) on May 4, 1995.

While the design concept for the memorial was approved by the CFA on February 15, 1996, and by the NCPC on March 7, 1996, the final design must still be approved by the Secretary of the Interior, the CFA and the NCPC. Compliance with Section 106 of the Historic Preservation Act of 1966 was initiated on March 15, 1996, with a determination of no adverse affect in which both Commonwealth of Virginia and the District of Columbia State Historic Preservation Offices have concurred. The next phase in planning is to produce a development concept plan.

For further information, please contact Mr. John G. Parsons, Associate Superintendent, Stewardship and Partnerships, National Capital Support Office at 202-619-7025. Written comments may be addressed to Mr. Parsons at National Park Service, National Capital Region, 1100 Ohio Drive, SW, Washington, DC 20242. Comments must be received by January 23, 1998.

Approved: November 20, 1997.
